

City of Carroll

627 N. Adams Street

Carroll, Iowa 51401

(712) 792-1000

FAX: (712) 792-0139

GOVERNMENTAL BODY: Carroll City Council

DATE OF MEETING: October 25, 2021

TIME OF MEETING: 5:15 P.M.

LOCATION OF MEETING: City Hall Council Chambers

www.cityofcarroll.com

NOTICE

The meeting will be made available telephonically for those individuals who wish to attend remotely. The public will be able to hear and participate in the Council meeting by calling:

United States: 1 (312) 626-6799

Then when prompted, enter the following Access Code: 959 8347 1673#

Individuals may start calling in at 5:00 PM for the meeting.

Individuals may also join the meeting from your computer, tablet or smartphone by using the following link:

<https://zoom.us/j/95983471673>

Similar to a regular City Council meeting, participants will be invited to provide feedback at various points during the meeting. Participants are requested to keep their mics muted until invited by the Mayor or Council to provide feedback. Participants calling in can unmute and mute their phone by dialing *6. Participants using a computer, tablet or smartphone can unmute and mute themselves by clicking on the mute/unmute button in the bottom left corner of the zoom program. Participants who unmute themselves outside of feedback periods may be muted by the City and/or removed from the meeting.

The public can watch the meeting live from the City's YouTube channel by going to: <https://tinyurl.com/t64juzk> and on CAAT6. To ensure you can access the meeting when we go live we suggest that you subscribe to the City's YouTube channel. The YouTube meeting is a view only option and you will not be able to participate in the meeting via YouTube.

COUNCIL MEETING

OCTOBER 11, 2021

(Please note these are draft minutes and may be amended by Council before final approval.)

The meeting was held telephonically or via Zoom web conferencing for those individuals who wished to attend remotely. The public was able to hear and participate in the Council meeting by calling into a publicly posted phone number.

The Carroll City Council met in regular session on this date at 5:19 p.m. in the Council Chambers, City Hall, 627 N Adams Street. Council Members present: Misty Boes, LaVern Dirks, Jerry Fleshner, Clay Haley, Mike Kots (arrived at 5:23 p.m.) and Carolyn Siemann. Absent: None. Mayor Eric Jensen presided and City Attorney Dave Bruner was in attendance.

* * * * *

The Pledge of Allegiance was led by the City Council. No Council action taken.

* * * * *

It was moved by Haley, seconded by Boes, to approve the following items on the consent agenda: a) minutes of the September 27, 2021 Council meeting, as written; b) bills and claims in the amount of \$887,053.05; c) New Class “C” Liquor License with Sunday Sales – *Taqueria El Palomo* and new cigarette permit – *Aqua Vape LLC*; d) the purchase of a concrete saw from Logan Contractors Supply, Inc. at their proposal cost of \$30,495.00 e) the purchase of a dowel drill from Logan Contractors Supply, Inc. at their proposal price cost of \$13,645.00; f) the purchase of a 2021 Hybrid Triplex Greens Mower from Van Wall Equipment at their proposal cost of \$27,766.00. On roll call, all present voted aye. Absent: Kots. Motion carried.

* * * * *

There no oral requests or communication from the audience.

* * * * *

Council Member Kots arrived at 5: 23 p.m.

* * * * *

It was moved by Siemann, seconded by Haley, to approve the second reading of an ordinance amending the Code of Ordinances pertaining to the Carroll Recreation Fees and Charges. On roll call, all present voted aye. Absent: None. Motion carried.

* * * * *

It was moved by Fleshner, seconded by Haley, to approve the second reading and waive the third reading of an ordinance pertaining to parking along Walnut Street. On roll call, all present voted aye. Absent: None. Motion carried.

It was moved by Haley, seconded by Siemann, to adopt said Ordinance No. 2104. On roll call, all present voted aye. Absent: None. Motion carried.

* * * * *

It was moved by Kots, seconded by Fleshner, to approve Resolution No. 21-70, Water Utility Vendor Agreement with New Opportunities for the Low-Income Household Water Assistance Program. On roll call, all present voted aye. Absent: None. Motion carried.

* * * * *

It was moved by Kots, seconded by Haley, to go into closed session at 5:33 p.m. per Iowa Code 21.5(1)(c) –to discuss strategy with legal counsel in matters that are presently in litigation or where litigation is imminent and where its disclosure would be likely to prejudice or disadvantage the government. On roll call, all present voted aye. Absent: None. Motion carried.

* * * * *

It was moved by Haley, seconded by Kots, to go back into open session at 6:43 p.m. On roll call, all present voted aye. Absent: None. Motion carried.

* * * * *

It was moved by Fleshner, seconded by Haley, to adjourn at 6:43 p.m. On roll call, all present voted aye. Absent: None. Motion carried.

Eric P. Jensen, Mayor

ATTEST:

Laura A. Schaefer, City Clerk

Renewal of Class "C" Beer Permit with Class "B" Wine Permit and Sunday Sales

Hy-Vee Market Cafe

905 Hwy 30 West

Class "C" Liquor License with Catering Privilege and Sunday Sales

RECOMMENDATION: Council consideration and approval of these applications.

CARROLL VOLUNTEER FIRE DEPT.

801 N. BELLA VISTA DR.
CARROLL, IOWA 51401

MEMO TO: Mike Pogge-Weaver, City Manager *msw*
FROM: Greg L. Schreck, Fire Chief *GLS*
DATE: October 19, 2021
SUBJECT: Firefighter Resignation and Appointment

At a recent business meeting, the Carroll Volunteer Fire Department accepted the resignation of firefighter Brian Bellinghausen. Bellinghausen served the Department faithfully for 20 years. His dedication to the Department and to the community will be greatly missed.

As a result of the open position created by this resignation, Kevin Nepple has been accepted by the Department as a member, subject to Council approval.

RECOMMENDATION: Mayor and Council acceptance of the resignation of firefighter Brian Bellinghausen and approve the appointment of Kevin Nepple to begin duties as a member of the Carroll Volunteer Fire Department.

City of Carroll

627 N. Adams Street

Carroll, Iowa 51401

(712) 792-1000

FAX: (712) 792-0139

MEMO TO: Mike Pogge-Weaver, City Manager *UWP-W*

FROM: Randall M. Krauel, Director of Public Works *RMK*

DATE: October 20, 2021

SUBJECT: Persons with Disabilities Parking Spaces
City Hall, 627 N. Adams Street, Parking Lot

Following occupancy of City Hall, the west parking lot was striped for parking, including two proposed Persons with Disabilities Parking spaces. The two proposed spaces, located in the southeast corner of the lot, were not subsequently designated or signed as such.

The Iowa Code details the requirements for Parking for Persons with Disabilities. The Persons with Disabilities Parking spaces provided for in the City Code of Ordinances are established by motion of the Council.

RECOMMENDATION: Mayor and City Council consideration of designation of two Persons with Disabilities Parking Spaces to be located in the southeast corner of the City Hall, 627 N. Adams Street, parking lot.

City of Carroll

(712) 792-1000

FAX: (712) 792-0139

MEMO TO: Mike Pogge-Weaver, City Manager *MSP-w*
FROM: Jack Wardell, Director of Parks and Recreation *JW*
DATE: October 20, 2021
SUBJECT: Carroll Recreation Center Fees and Charges– 2nd Reading

City Council passed the first reading of the ordinance for Carroll Recreation Center Fees and Charges at the September 27, 2021 meeting and the second reading at the October 11, 2021 meeting. After the October 11 City Council meeting it was determined the incorrect ordinance was attached to the October 11 memo. At this time, staff would ask the Council to consider passing the second reading of the proposed ordinance with the correct proposed fees and charges. The last time memberships were raised was January 1, 2021. As personnel, services, and capital costs have steadily increased memberships should also see a moderate increase. Below is the recommendation of the staff.

CITY OF CARROLL RESIDENTS

<u>MEMBERSHIP - ANNUAL</u>	<u>CURRENT</u>	<u>PROPOSED INCREASE</u>

Family <i>Income Based</i>	\$52.00 \$19.75	\$54.00 \$20.50
Single Parent <i>Income Based</i>	\$49.00 \$17.50	\$51.00 \$18.25
Adult <i>Income Based</i>	\$33.00 \$10.00	\$35.00 \$10.50
Senior (62yo & older) <i>Income Based</i>	\$31.00 \$9.00	\$33.00 \$9.50
Senior Couple (62yo & older-one person) <i>Income Based</i>	\$47.00 \$15.75	\$49.00 \$16.50
College Student <i>Income Based</i>	\$31.00 \$9.00	\$33.00 \$9.50
Youth (18yo & younger) <i>Income Based</i>	\$25.00 \$7.00	\$27.00 \$7.50
24-hour Access – per member <i>Income Based</i> (added to above membership)	\$20.00 \$20.00	\$20.00 \$20.00

NON-CITY OF CARROLL RESIDENTS

<u>MEMBERSHIP – 30 DAY</u>	<u>CURRENT</u>	<u>PROPOSED</u>
Family	\$55.00	\$57.00
Single Parent	\$52.00	\$54.00
Adult	\$35.00	\$37.00
Senior (62yo & older)	\$33.00	\$35.00
Senior Couple (62yo & older-one person)	\$50.00	\$52.00
College Student	\$33.00	\$35.00
Youth (18yo & younger)	\$27.00	\$29.00
24-hour Access – per member (added to above membership)	\$26.00	\$26.00

All other miscellaneous fees (including the daily admission rates) will remain the same.

If new rates are approved the recommendation would be to have the effective date be January 1, 2022. This would allow staff time to inform the monthly auto-pay members of the new rates by mailing out postcards with the new rates.

RECOMMENDATION: Mayor and Council consideration, introduction and adoption of the second reading of the Ordinance Amending Carroll Recreation Fees and Charges 114.03.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE CITY OF CARROLL'S RECREATION CENTER FEES AND CHARGES

BE IT enacted by the City Council of the City of Carroll, Iowa;

SECTION 1. The City Council for the City of Carroll, Iowa, repeals Chapter 114.03 of the Carroll City Code and is replaced with the following:

SECTION 2. REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 3. SEVERABILITY CLAUSE. If any section, provisions of part of this ordinance shall be adjudged invalid or unconstitutional such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

SECTION 4. WHEN EFFECTIVE. This ordinance shall be in effect on January 1, 2022 and after its final passage, approval and publication as provided by law.

Passed and approved this _____ day of _____, 2021

CITY COUNCIL OF THE
CITY OF CARROLL, IOWA

Eric P. Jensen, Mayor

ATTEST:

Laura A. Schaefer, City Clerk

I certify that the foregoing was published as Ordinance No. _____ on the _____ day of _____, 2021.

Laura A. Schaefer, City Clerk

City of Carroll

627 N. Adams Street

Carroll, Iowa 51401

(712) 792-1000

FAX: (712) 792-0139

MEMO TO: Honorable Mayor and City Council Members

FROM: Mike Pogge-Weaver, City Manager *MSPW*

DATE: October 18, 2021

SUBJECT: Consideration of an Ordinance Designating Certain Areas of the City of Carroll, Iowa as an Urban Revitalization Area

The Council has been considering expanding the Carroll Urban Revitalization Area citywide in order to provide tax abatement to all properties in the City. Attached is a copy of the proposed plan. At the July 26, 2021 meeting the City Council approved a Resolution Determining the Necessity and Fixing a Date for a Public Hearing on the matter of the adoption of a proposed Carroll Urban Revitalization Plan.

The Council held a public hearing on the proposed plan on September 13, 2021. No written or oral comments were made on the proposed plan at the public hearing. The Council closed the public hearing and approved a resolution adopting the proposed plan at the September 13th meeting. No petition requesting a second public hearing was received by the City Clerk within the required 30-day deadline after the September 13th public hearing; therefore, the Council can consider adoption of an ordinance designating certain areas as an Urban Revitalization Area (Attachment J in the plan).

As currently drafted, the proposed plan would expire on July 1, 2031 unless it is terminated early or extended by the Carroll City Council. The proposed plan provides tax exemption for Residential and Multiresidential properties in the Urban Revitalization Area with the following schedules:

Option 1

- A. All Qualified Real Estate assessed as multiresidential property prior to January 1, 2022, if the multiresidential property consists of three (3) or more separate living quarters with at least seventy-five percent (75%) of the space used for residential purposes, shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.
- B. All Qualified Real Estate assessed as residential property under Iowa Code Section 441.21(14)(a)(6) (three or more separate dwelling units) on or after January 1, 2022 shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.

Option 2

All Qualified Real Estate assessed as residential which is not classified under Iowa Code Section 441.21(14)(a)(6) shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added by the Improvements for a period of five (5) years.

RECOMMENDATION: Mayor and City Council should consider adoption of an Ordinance Designating Certain Areas of the City of Carroll, Iowa as an Urban Revitalization Area Final adoption of a proposed Carroll Urban Revitalization Plan (Attachment J in the plan).

ORDINANCE NO. _____

An Ordinance Amending Ordinance No. 19-01 and Designating the City of Carroll, Iowa as an Urban Revitalization Area

Section 1. Purpose and Intent. Chapter 404 of the *Code of Iowa, 2021*, as amended (the "Act"), provides that a city may designate areas as revitalization areas eligible for property tax exemptions and authorizes cities to issue revenue bonds for improvements made within those revitalization areas.

By Resolution No. 18-122 the Council previously determined that certain areas within the City of Carroll, Iowa ("City") can be revitalized and the potential for permitted residential development enhanced by the adoption of an urban revitalization plan as authorized by the Act.

By Resolution No. 19-13 the Council adopted the Carroll Urban Revitalization Plan for the Carroll Urban Revitalization Area, and by Ordinance No. 19-01 the City established the Carroll Urban Revitalization Area.

On the 13th day of September 2021, the City of Carroll adopted a Resolution finding that the rehabilitation and redevelopment of additional property in the City of Carroll would be desirable and that said expanded area qualifies under Section 404.1 of the Act for designation as a Revitalization Area.

The City Council of the City of Carroll has deemed it appropriate to utilize the incentives of the Act to promote rehabilitation and redevelopment as well as new development.

The City Council of the City of Carroll has complied with all of the provisions of the Act relating to the designation of the entire City as a revitalization area, having prepared the amended Carroll Urban Revitalization Plan (the "Plan") for the amended Carroll Urban Revitalization Area and having published and mailed by ordinance mail notice of a public hearing on the amended Plan, and following the public hearing, has heretofore adopted the amended Plan for the expanded Carroll Urban Revitalization Area in the City of Carroll as described below.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CARROLL IA, as follows:

Section 2. Description. The following described real estate is hereby designated as a revitalization area under the Act, to be known as the Carroll Urban Revitalization Area:

The City of Carroll Urban Revitalization Area is all land located in the City of Carroll, Carroll County Iowa with in the following described area:

All property within the Carroll City Limits as of July 1, 2021. To the extent allowed by law, any property annexed into the City after the effective date of the Plan, as amended, shall be considered to have been part of the Area as of the effective date of its annexation to the City.

Section 3. Benefits. The benefits of revitalization shall be only to the extent provided by the amended Plan as heretofore adopted by the City Council of the City of Carroll, and as may be amended from time to time under the Act, and that any person, firm, corporation, or other entity seeking to utilize the benefits of revitalization shall comply with the requirements set forth in that Plan.

Section 4. Repealer. All ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed to the extent of such conflict.

Section 5. Severability. If any section, provision or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

Section 6. Effective Date. This ordinance shall be in full force and effect from and after its publication, approval and passage as provided by law.

PASSED, ADOPTED AND APPROVED this _____ day of _____, 2021.

Dr. Eric Jensen, Mayor

ATTEST:

Laura Schaefer, City Clerk

A Plan for the City of Carroll Urban Revitalization Area

SECTION 1: FINDINGS AND INTENT

1.01 INTENT. By resolution 19-13 and Ordinance No. 19-01 (“Ordinance”), the City Council of Carroll, Iowa, established an urban revitalization area, known as the Carroll Urban Revitalization Area, (hereafter referred to as “Area”) in accordance with the provisions established in Chapter 404, *Code of Iowa, 2021*, (the “Act”) in order to allow for the utilization of tax abatement and the other programs conferred by the Act in order to further the purposes of the Act and this plan. In 2021, the City Council amended this plan and the Ordinance to incorporate additional property into the Area and to update the available exemption schedules to account for the discontinuation of the multiresidential assessment category after December 31, 2021. This document, as amended, is intended to be the plan of the Area and to serve as the guiding tool in the employment of the various incentives and programs conferred in the Act.

1.02 RESOLUTION OF NECESSITY. On December 10, 2018 and again on [REDACTED], the City Council of the City of Carroll, Iowa (“City”), passed a resolution which found that the rehabilitation, conservation, redevelopment, economic development, or a combination thereof of the Area is necessary in the interest of the public health, safety, or welfare of the residents of the City. The City Council of the City also found that the Area substantially meets the criteria of Section 404.1, *Code of Iowa, 2021*, insofar as the Area is appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

[Section 404.2(1), *Code of Iowa, 2021*]

1.03 PLAN OBJECTIVES. The objectives of this plan were developed by the Carroll City Council. Objectives for the Area include the following:

- Housing development on vacant lots.
- Improve and create workforce housing;
- Improve and create market-rate housing.
- Use available funding programs in conjunction with tax abatement to foster improvements.
- Use rehabilitation funding programs for existing single-family homes.
- Promote multi-family housing development.
- Increase valuation of property in the designated area.

This plan shall outline the incentives which will be made available to property owners of eligible real estate, as conferred in Chapter 404, *Code of Iowa, 2021*, and as adopted by the City Council of Carroll. Through the utilization of tax exemptions, and the potential for the issuance of revenue bonds for revitalization projects, the City hopes to stimulate and improve the climate of residential land uses in the Area.

SECTION 2: LEGAL DESCRIPTION AND PROPERTY INFORMATION FOR THE URBAN REVITALIZATION AREA

2.01 DESCRIPTION OF AREA. The boundaries for the proposed Urban Revitalization Area includes the following described area:

The City of Carroll Urban Revitalization Area is all land located in the City of Carroll, Carroll County Iowa with in the following described area:

All property within the Carroll City Limits as of July 1, 2021. To the extent allowed by law, any property annexed into the City after the effective date of this plan, as amended, shall be considered to have been part of the Area as of the effective date of its annexation to the City.

The Area, as amended in 2021, is depicted on a map in Attachment A.

[Section 404.2(2) (a), *Code of Iowa, 2021*]

2.02 DESCRIPTIVE LISTINGS OF ALL REAL ESTATE IN THE URBAN REVITALIZATION AREA. Attached hereto as Attachment E-1 and incorporated herein by reference, is a list inclusive of all real estate parcels which existed in the Area at the time of the Plan's original adoption in 2019, and attached hereto as Attachment E-2 is a list of all real estate parcels added to the Area as of the date of the amendment in 2021. Information is provided for each real estate parcel located in the Area which contains, at a minimum, information concerning the existing assessed valuation of the real estate by separating the valuation of land, dwellings, and improvements, along with the names and addresses of the last owners of record.

[Section 404.2(2) (b, c), *Code of Iowa, 2021*]

2.03 EXISTING ZONING CLASSIFICATIONS AND DISTRICT BOUNDARIES. The City of Carroll is zoned. A zoning map as of the date of the amendment in 2021 is attached as Attachment B.

[Section 404.2(2) (d), *Code of Iowa, 2021*]

2.04 EXISTING LAND USES AND PROPOSED LAND USES. The primary use of land in the Area is for residential purposes, but includes a central business area, a concentrated light industrial and commercial area, and a small scattering of other commercial or light industrial uses. The periphery of the community is surrounded by agricultural uses. The Current Land Use Map as of the date of the amendment in 2021 (Attachment C) and Future Land Use Map (Attachment D) are attached and by reference incorporated herein.

[Section 404.2(2) (d), *Code of Iowa, 2021*]

SECTION 3: PROPOSED PUBLIC SERVICE IMPROVEMENTS

The City of Carroll has identified several potential service improvement projects which they hope to implement over time. Potential projects include but are not limited to:

- Housing lot development.
- Sidewalk repair and replacement.
- Sanitary sewer maintenance and improvements.
- On-going street improvements.
- Water service improvements.
- Storm sewer service improvements.

- Park improvements.
[Section 404.2(2) (e), *Code of Iowa, 2021*]

SECTION 4: APPLICABILITY OF REVITALIZATION PROGRAMS

The following paragraphs establish the applicability of the revitalization programs and benefits to various property classifications, and land uses, in the Area:

1. Revitalization benefits in the Area are applicable to any property in the Area assessed as residential, multiresidential (through December 31, 2021), or combinations thereof, on which eligibility requirements are met or exceeded. All revitalization projects must comply with local ordinances in effect at the time a project is initiated in order to be eligible for the benefits of the plan.
2. Revitalization benefits in the Area are not applicable to any property in the area assessed as agricultural, except that the primary residential structure, or a structure considered to be accessory to the principal residential structure shall be eligible as other residential property would be.
3. Revitalization of qualified real estate in the Area may consist of rehabilitation or additions to existing structures, or new construction on unimproved real estate, or combinations thereof. Qualified real estate is defined in Section 404.3(8), *Code of Iowa, 2021*, and as found herein.
4. The Carroll Urban Revitalization Area will remain a revitalization area until July 1, 2031, the City repeals the ordinance establishing the Area, or repeals or amends the exemption benefits contained in this plan, as amended. However, if in the opinion of the City Council, the desired conservation, rehabilitation, development, or redevelopment has been attained, or economic conditions are such that the continuation of the exemptions granted by the City are no longer of benefit to the City, the City Council may repeal the ordinance establishing the revitalization area pursuant to the Act before the expiration date of July 1, 2031. In such event of a repeal of the revitalization area, all existing exemptions shall continue until their expiration. Conversely, if in the opinion of the City Council, the established goals and objectives of the revitalization plan have not been attained, the Council may, by resolution, extend the life of the revitalization area. The City reserves the right to extend, amend, terminate or repeal the plan and/or the ordinance to the extent allowed by law.
5. The City Council will also consider the issuance of revenue bonds, as provided by Chapter 404 and 419, *Code of Iowa, 2021*, for qualified revitalization projects within the Area. [Section 404.2(2)(f), *Code of Iowa, 2018*]

SECTION 5: RELOCATION PLANS

5.01 QUALIFIED TENANT. A "Qualified Tenant" as used in this plan shall mean the legal occupant of a residential dwelling unit located within the designated revitalization area, who has occupied the same dwelling unit continuously since one year prior to the City's adoption of the plan for the revitalization area, in accordance with Section 404.2, *Code of Iowa, 2021*.

5.02 RELOCATION PLAN. As established in Section 404.6, *Code of Iowa, 2021*, the City, upon application to it and after verification by it, shall require compensation of at least one month's rent and may require compensation of actual relocation expenses be paid to a qualified tenant whose displacement is due to action on the part of a property owner to qualify for the benefits conferred by this plan, and Chapter 404, *Code of Iowa, 2021*. Relocation expenses shall be the responsibility of owners of said property where the displacement

or necessity to relocate occurs, as condition for receiving a tax exemption or other allowable benefit under this plan, or Chapter 404, *Code of Iowa, 2021*.

[Section 404.2(2) (g), *Code of Iowa, 2021*]

SECTION 6: QUALIFIED REAL ESTATE AND INCREASE IN ACTUAL VALUE REQUIREMENTS

6.01 QUALIFIED REAL ESTATE. As used in this plan, "Qualified Real Estate" means real property which is located in the designated revitalization area, and to which Improvements have been added during the time the Area was so designated a revitalization area, with those Improvements having increased the actual value of the real property by at least the percentage indicated in Section 6.06 below.

[Section 404.3(8), *Code of Iowa, 2021*]

6.02 IMPROVEMENTS. As used in this plan, "Improvements" includes rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures.

[Section 404.3(8), *Code of Iowa, 2021*]

6.03 IMPROVEMENTS ON AGRICULTURAL LAND. The City Council finds that in order to meet the goals and objectives of this plan, new construction or improvements to the principal residential structure on land assessed as agricultural will be considered Improvements in regard to meeting the eligibility requirements for receiving the benefits established within this plan. The City Council believes that the minimum amount of land assessed as agricultural will need to be utilized in order to attain the established goals and objectives of this plan.

[Section 404.3(8), *Code of Iowa, 2021*]

6.04 ACTUAL VALUE ADDED BY THE IMPROVEMENTS. For the purposes of this plan, "actual value added by the improvements" shall mean the actual value added as of the first year for which the exemption was received.

[Section 404.3(8), *Code of Iowa, 2021*]

6.05 ZONING/BUILDING PERMIT REGULATIONS APPLY. For an Improvement to be eligible to receive the benefits conferred in this plan, the Improvements must adhere to all zoning and building permit requirements and applicable zoning, building permit and other City code provisions and regulations.

[Section 404.3, *Code of Iowa, 2021*]

6.06 INCREASE IN VALUE-ADDED REQUIREMENT. In order to qualify for the tax exemptions or other benefits conferred in this plan, the Improvements made to Qualified Real Estate must increase the actual value of such real estate by at least ten (10%) percent as determined by the County Assessor.

[Section 404.3(8), *Code of Iowa, 2021*]

SECTION 7: TAX EXEMPTION SCHEDULE OPTIONS

7.01 BASIS OF TAX EXEMPTION. All Qualified Real Estate is eligible to receive an exemption from taxation on the actual value added by Improvements.

[Section 404.2(2) (f), *Code of Iowa, 2021*]

7.02 TAX EXEMPTION SCHEDULES. The following paragraph outlines the available tax exemption schedule available for Improvements to Qualified Real Estate that have resulted in the increase in actual value of the property by the established minimum percentage (10%). Tax exemptions are only available on that portion of actual valuation which is added by an Improvement which was made during the time of the designation of the revitalization area. The exemptions are as follows:

Option 1

- A. All Qualified Real Estate assessed as multiresidential property prior to January 1, 2022, if the multiresidential property consists of three (3) or more separate living quarters with at least seventy-five percent (75%) of the space used for residential purposes, shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.

- B. All Qualified Real Estate assessed as residential property under Iowa Code Section 441.21(14)(a)(6) (three or more separate dwelling units) on or after January 1, 2022 shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years. This exemption is available for this particular subset of residential property in lieu of the general residential property exemption set forth below, and is made available to further the City’s planning objectives with respect to ensuring the availability of a variety of housing options and promoting the development of multi-family residential properties.

[Section 404.3 (4), *Code of Iowa, 2021*]

Option 2

All Qualified Real Estate assessed as residential which is not classified under Iowa Code Section 441.21(14)(a)(6) shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added by the Improvements for a period of five (5) years.

[Section 404.3A, *Code of Iowa, 2021*]

7.03 OWNER SELECTION. The owners of Qualified Real Estate eligible for the exemption provided in this section shall elect to take the applicable exemption provided in Section 7.02.

7.04 SELECTION FINAL. Once the owner of Qualified Real Estate has elected to utilize the exemption schedule and the exemption is granted, the owner is prohibited from changing the method of exemption.

[Section 404.3(6), *Code of Iowa, 2021*]

SECTION 8: LIKELY FUNDING SOURCES FOR IMPROVEMENTS

8.01 PROPERTY OWNERS ENCOURAGED. The City Council encourages all property owners to investigate funding sources for improvements to real property, and to apply to those sources which are applicable to the types of improvements being proposed.

8.02 FEDERAL ASSISTANCE PROGRAMS. The Department of Housing and Urban Development (HUD) offers a variety of grant and loan programs for rehabilitation, improvements, and new construction improvements. The Community Development Block Grant (CDBG) program is a HUD-funded program which is administered by the State of Iowa. Each year a portion of the funding is slated for use as housing rehabilitation monies which are applied for by communities, and administered by those communities which receive funding.

USDA Rural Development also has a variety of grant and loan programs available for rehabilitation, improvements and new construction improvements. Most of the programs administered by USDA Rural Development are limited to communities of less than 10,000 population, or rural areas.

Region XII Council of Governments and its affiliated organizations may also have grants and loans available for housing improvements beyond those offered by HUD or USDA.

[Section 404.2(j), *Code of Iowa, 2021*]

8.03 STATE ASSISTANCE PROGRAMS. The Iowa Economic Development Authority (IEDA) administers several federally-funded programs and a number of state-funded programs which are intended to provide funding alternatives for owner-occupied and rental property improvements. The State is also providing alternate financing for property improvements through the Iowa Finance Authority (IFA).

[Section 404.2(j), *Code of Iowa, 2021*]

8.04 LOCAL ASSISTANCE PROGRAMS. Local assistance programs may be available during various times during the life of this Plan. This includes required Low-to-Moderate Income set aside funds under Urban Renewal/Tax Increment Financing.

[Section 404.2(j), *Code of Iowa, 2021*]

SECTION 9: APPLICATION AND APPROVAL OF ELIGIBILITY

9.01 APPLICATION FILED. An application, on the form provided by the City, shall be filed for each new exemption claimed. Applications shall be filed by the property owner for an exemption to be claimed with the City Council by February 1 of the assessment year for which the exemption is first claimed, but in no instance later than the year in which all Improvements included in the project are first assessed for taxation, or the following two assessment years, in which case the exemption is allowed for the total number of years in the exemption schedule. The City may allow a property owner to submit an application after the above deadlines subject to the discretion of the Council and the limitations outlined in Iowa Code Section 404.4. If a project is started in one year and is not completed until the following year, the application should be submitted in the year the project is completed. Submitting an application based upon partial completion of the project may result in the award of a partial exemption, as explained in Iowa Code Chapter 404 and corresponding regulations.

[Section 404.4, *Code of Iowa, 2021*]

9.02 CONTENTS OF APPLICATION. The application shall contain, but not be limited to, the following information:

1. Name of applicant/property owner;
2. Applicant's complete mailing address and telephone number;
3. Nature of the improvement;
4. Cost of the improvement;
5. Estimated, or actual, date of completion;
6. Name(s) of the tenants that occupied the property on the date the city adopted the resolution referred to in Section 404.2(1), *Code of Iowa, 2021*;
7. The exemption schedule to be utilized; and,
8. A copy of most recent property tax statement.
[Section 404.4, *Code of Iowa, 2021*]

9.03 CITY COUNCIL'S APPROVAL REQUIRED. The City Council shall approve the application, subject to review by the County Assessor, if the project:

1. is in conformance with the revitalization plan;
2. is located in the designated revitalization area; and,
3. Improvements were made during the time the Area was so designated a revitalization area.
[Section 404.4, *Code of Iowa, 2021*]

9.04 CITY COUNCIL SHALL FORWARD APPROVED APPLICATIONS. The City Council shall cause to have forwarded the approved applications to the County Assessor by March 1 of each year, along with a statement indicating the exemption schedule.

9.05 SUCCEEDING YEAR APPLICATIONS NOT NECESSARY. Applications for exemption for succeeding years on approved projects shall not be required.
[Section 404.4, *Code of Iowa, 2021*]

9.06 DETERMINATION BY COUNTY ASSESSOR. The County Assessor shall review each first-year applications by making a physical review of the property, to determine if the Improvements made actually increased the actual valuation of the Qualified Real estate by the ten (10%) percent requirement, as established herein.
[Section 404.5, *Code of Iowa, 2021*]

9.07 ELIGIBILITY DETERMINED. If the Assessor determines that the actual value of the real estate has increased by at least the requisite percentage, the assessor shall proceed to determine the actual value of the property and certify the valuation determined pursuant to Section 404.3, *Code of Iowa, 2021*, to the County Auditor at the time of transmitting the assessment rolls.
[Section 404.5, *Code of Iowa, 2021*]

9.08 NEW STRUCTURES. If a new structure is erected on land upon which no structure existed at the start of the new construction, the assessor shall proceed to determine the actual value of the property and certify the valuation determined pursuant to Section 404.3, *Code of Iowa, 2021*, to the Auditor at the time of transmitting the assessment rolls.
[Section 404.5, *Code of Iowa, 2021*]

9.09 NOTIFICATION BY ASSESSOR. The assessor shall notify the applicant of the determination, and the assessor's decision may be appealed to the local board of review at the times specified in Section 441.37, *Code of Iowa, 2021*.

[Section 404.5, *Code of Iowa, 2021*]

9.10 EXEMPTION GRANTED FOR SUCCEEDING YEARS. After the tax exemption is granted, the Assessor shall continue to grant the tax exemption, with periodic physical review by the Assessor, for the time period specified in the exemption schedule option elected by the property owner, and which was approved, without applications for succeeding years of exemption schedule.

[Section 404.5, *Code of Iowa, 2021*]

9.11 PRIOR APPROVAL BY CITY COUNCIL. According to Section 404.4, *Code of Iowa, 2021*, a person may submit a proposal for an improvement project to the City Council to receive prior approval for eligibility for a tax exemption on the project. The City Council shall, by resolution, give its prior approval for an improvement project if the project is in conformance with this plan. Such prior approval shall not entitle the owner to exemption from taxation until the Improvements have been completed and found to be Qualified Real Estate; however, if the proposal is not approved, the person may submit an amended proposal for the governing body to approve or reject.

SECTION 10: LIMITATIONS

10.01 URBAN RENEWAL. The City also has or may adopt a tax increment financing program which is designed to provide incentives for development. Accordingly, a property that, in the determination of the City Council, is within an urban renewal area and is receiving either direct or indirect benefits that were financed through a tax increment financing program, shall not be eligible for tax abatement under this revitalization plan absent specific approval from the City Council. If an application under this plan is denied by the City Council because the property for which an exemption is requested is within an existing urban renewal area, the owner may reapply for benefits under this plan for the same property if the property has subsequently been removed from the urban renewal area, provided the property remains in the revitalization Area and all other plan requirements are met.

ATTACHMENT E-2

Expanded Property Owners for the Plan as amended in 2021

Note: Attachment E-2 includes expanded area only and does not include any part of the original area

LIST OF PROPERTY OWNERS AND VALUATIONS

All property owners of parcels included in the Urban Revitalization Area as of November 26, 2018 may be found in the following pages.

The property classification codes are as follows:

- 2 = Residential
- 3 = Commercial
- 4 = Industrial
- 5 = Exempt
- 6 = Government
- 7 = Multiresidential
- 8 = Ag Land
- 9 = Railroad
- 10 = Ag Dwelling

RESOLUTION OF FINDING

RESOLUTION NO. _____

RESOLUTION DETERMINING THE NECESSITY AND FIXING A DATE
FOR A PUBLIC HEARING ON THE MATTER OF THE ADOPTION OF A
PROPOSED CARROLL URBAN REVITALIZATION PLAN

WHEREAS, by Resolution No. 18-122 the Council previously determined that certain areas within the City of Carroll, Iowa ("City") can be revitalized and the potential for permitted residential development enhanced by the adoption of an urban revitalization plan as authorized by Chapter 404, Code of Iowa ("Act"); and

WHEREAS, by Resolution No. 19-13 the Council adopted the Carroll Urban Revitalization Plan for the Carroll Urban Revitalization Area; and

WHEREAS, the Council adopted Ordinance No. 19-01 and established the Carroll Urban Revitalization Area; and

WHEREAS, the Council hereby finds that additional property within the City can be revitalized and the potential for permitted residential development enhanced by the inclusion of the additional property in the Area and that the exemption schedules should be amended to account for the discontinuation of the multiresidential assessment category after December 31, 2021; and

WHEREAS, a proposed amended Carroll Urban Revitalization Plan ("Plan") has been prepared, the purpose of which is to allow scheduled abatement of certain types of property pursuant to Iowa Code Chapter 404, and to include within the amended Carroll Urban Revitalization Area ("Area" or "Revitalization Area"), the property legally described as follows:

The City of Carroll Urban Revitalization Area is all land located in the City of Carroll, Carroll County Iowa within the following described area:

All property within the Carroll City Limits as of July 1, 2021. To the extent allowed by law, any property annexed into the City after the effective date of the Plan, as amended, shall be considered to have been part of the Area as of the effective date of its annexation to the City.

WHEREAS, before such amended Plan can be adopted, it is necessary that a public hearing be held thereon and that due notice be given in accordance with the requirements of the Act.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CARROLL, IOWA:

Section 1. It is determined that the rehabilitation, conservation, redevelopment, economic development or a combination thereof of the Area, as amended, is necessary in the interest of the public health, safety, or welfare of the residents of the City, and the Area substantially meets the criteria of Section 404.1 and the proposed amended Plan, attached to this Resolution as Exhibit 1, is declared to substantially meet the criteria of Iowa Code Section 404.2.

Section 2. It is determined that it is in the best interests of the citizens of the City to hold a public hearing on the matter of the adoption of the amended Plan, on the 13th day of September, 2021, at 5:15 P.M., in the Council Chambers, City Hall, 627 N Adams St, Carroll, Iowa.

Section 3. That the City Clerk be and is hereby directed to publish notice of such hearing at least once not less than thirty (30) days prior to the date of said public hearing, as provided in Iowa Code Section 404.2(3) and again no more than 20 days prior to the date of said public hearing but at least seven days before said hearing, as provided in Iowa Code 404.2(6).

Section 4. That the City Clerk shall not less than thirty (30) days prior to the public hearing, cause notice of said hearing to be given by ordinary mail at the last known addresses of the owners of record located within the property being added to the Area by this amendment. The City Clerk shall also send notice by ordinary mail, addressed to the "occupants" of all addresses located within the property being added to the Area by this amendment, if such addresses are available. The City waives the requirement of notifying occupants/tenants to the extent a reasonably current and complete address list is not available.

Section 5. That copies of the Plan, as amended, be made available to the public through the office of the City Clerk.

Section 6. The notice of the proposed hearing shall be in substantially the following form:

NOTICE OF PUBLIC HEARING OF THE CITY COUNCIL
OF THE CITY OF CARROLL, IOWA, ON THE MATTER OF THE
ADOPTION OF A PROPOSED AMENDED CARROLL URBAN
REVITALIZATION PLAN

Notice is hereby given that a Public Hearing regarding the proposed amendment to the Carroll Urban Revitalization Plan will be conducted at a meeting of the City Council of the City of Carroll, Iowa, to be held on the 13th day of September, 2021 at 5:15 P.M., in the Council Chambers, City Hall, 627 N Adams St, Carroll, Iowa and that after such Public Hearing has been concluded, the City Council of Carroll, Iowa, will act upon said proposal consistent with Iowa Code Chapter 404. Any persons interested may appear at said meeting of the Council and present evidence for or against the adoption of the amended Plan.

Copies of the proposed amended Carroll Urban Revitalization Plan are available for public inspection between the hours of 8:00 a.m. and 5:00 p.m. Monday thru Friday at the Carroll City Hall located at 627 N Adams St, Carroll, IA 51401. The amended plan, if adopted, will allow property owners in the amended Revitalization Area to apply for one of the following property tax exemptions, subject to the terms and conditions of the plan:

Option 1

- A. All Qualified Real Estate assessed as multiresidential property prior to January 1, 2022, if the multiresidential property consists of three (3) or more separate living quarters with at least seventy-five percent (75%) of the space used for residential purposes, shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.
- B. All Qualified Real Estate assessed as residential property under Iowa Code Section 441.21(14)(a)(6) (three or more separate dwelling units) on or after January 1, 2022 shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.

Option 2

All Qualified Real Estate assessed as residential which is not classified under Iowa Code Section 441.21(14)(a)(6) shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added by the Improvements for a period of five (5) years.

Comments on the Plan may be made in person; mailed to 627 N Adams St, Carroll, IA 51401; or by calling (712) 792-1000 or by e-mail mpoggeweaver@cityofcarroll.com. The proposed Urban Revitalization Area, as amended, includes the following described area:

All property within the Carroll City Limits as of July 1, 2021. To the extent allowed by law, any property annexed into the City after the effective date of the Plan, as amended, shall be

considered to have been part of the Area as of the effective date of its annexation to the City.
This notice is given by order of the City Council of the City of Carroll, Iowa, pursuant to Section
404.2(3,6) of the Code of Iowa, 2020, as amended.

Dated this 6th day of August 2021.
Laura Schaefer, City Clerk

RESOLUTION ADOPTING REVITALIZATION PLAN

RESOLUTION NO. _____

A Resolution Adopting the Proposed Plan for Revitalization

WHEREAS, by Resolution No. 18-122 the Council previously has determined that certain areas within the City of Carroll, Iowa ("City") can be revitalized and the potential for permitted residential development enhanced by the adoption of an urban revitalization plan as authorized by Chapter 404, Code of Iowa ("Act"); and

WHEREAS, by Resolution No. 19-13 the Council adopted the Carroll Urban Revitalization Plan for the Carroll Urban Revitalization Area; and

WHEREAS, the Council adopted Ordinance No. 19-01 and established the Carroll Urban Revitalization Area; and

WHEREAS, the Council hereby finds that additional property within the City can be revitalized and the potential for permitted residential development enhanced by the inclusion of the additional property in the Area; and

WHEREAS, pursuant to the provisions of Chapter 404, *Code of Iowa, 2021*, as amended (the "Act") before designating any area a revitalization area, the City must prepare a proposed plan for such revitalization area and determine that the area meets the criteria of Section 404.1 of the Act; and,

WHEREAS, pursuant to the provisions of the Act, the City has prepared a proposed amended Carroll Urban Revitalization Plan (the "Plan") for the proposed amended Carroll Urban Revitalization Area (the "Area"), the purpose of which is to allow scheduled abatement for certain types of property within the Area, as amended, pursuant to the Act; and

WHEREAS, in compliance with the Act, the City published and mailed notice of a public hearing on the amended Plan, and held the public hearing thereon in the Council Chambers, City Hall, 627 N Adams St, Carroll, Iowa on the 13th day of September, 20121; and,

WHEREAS, the City Council has found that the rehabilitation, conservation, redevelopment, economic development, or a combination thereof of the Area, as amended, is necessary in the interest of the public health, safety, and welfare of the residents of the City, and that the Area, as amended, substantially meets criteria established in Section 404.1 of the Act, as being a qualified revitalization area.

NOW, THEREFORE BE IT RESOLVED, by the City Council of Carroll, Iowa, as follows:

1. That no objections were received at the public hearing on the proposed Carroll Urban Revitalization Plan, or if any objections were received, they were found to be without sufficient merit to warrant amending the amended Plan for the amended Area.
2. That the proposed amended Carroll Urban Revitalization Plan in the form attached hereto is hereby adopted, and accordingly, the Area should include the property described therein.

3. That if the City receives within thirty days after the holding of the first public hearing, referred to above, a valid petition requesting a second public hearing containing the signatures and current addresses of property owners that represent at least ten percent of the privately owned property within the Carroll Urban Revitalization Area, as amended, or the signatures and addresses of tenants that represent at least ten percent of the residential units within the Carroll Urban Revitalization Area, as amended, then the City will hold a second public hearing before determining whether to ratify this resolution or to rescind it; and
4. That the Area as it is described in the amended Plan is approved and that the Council intends to designate by separate ordinance said Area as a revitalization area under the Act.
5. That all resolutions or parts of resolutions passed prior to or that are in conflict herewith be and the same are hereby repealed.

Passed and approved this 13th day of September, 2021.

PUBLIC NOTICE

The following notice was published in Daily Times Herald and was also mailed to persons listed in Attachment E-2.

NOTICE OF PUBLIC HEARING OF THE CITY COUNCIL
OF THE CITY OF CARROLL, IOWA, ON THE MATTER OF THE
ADOPTION OF A PROPOSED AMENDED CARROLL URBAN
REVITALIZATION PLAN

Notice is hereby given that a Public Hearing regarding the proposed amendment to the Carroll Urban Revitalization Plan will be conducted at a meeting of the City Council of the City of Carroll, Iowa, to be held on the 13th day of September, 2021 at 5:15 P.M., in the Council Chambers, City Hall, 627 N Adams St, Carroll, Iowa and that after such Public Hearing has been concluded, the City Council of Carroll, Iowa, will act upon said proposal consistent with Iowa Code Chapter 404. Any persons interested may appear at said meeting of the Council and present evidence for or against the adoption of the amended Plan.

Copies of the proposed amended Carroll Urban Revitalization Plan are available for public inspection between the hours of 8:00 a.m. and 5:00 p.m. Monday thru Friday at the Carroll City Hall located at 627 N Adams St, Carroll, IA 51401. The amended plan, if adopted, will allow property owners in the amended Revitalization Area to apply for one of the following property tax exemptions, subject to the terms and conditions of the plan:

Option 1

- A. All Qualified Real Estate assessed as multiresidential property prior to January 1, 2022, if the multiresidential property consists of three (3) or more separate living quarters with at least seventy-five percent (75%) of the space used for residential purposes, shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.
- B. All Qualified Real Estate assessed as residential property under Iowa Code Section 441.21(14)(a)(6) (three or more separate dwelling units) on or after January 1, 2022 shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added per living quarter by the Improvements for a period of five (5) years.

Option 2

All Qualified Real Estate assessed as residential which is not classified under Iowa Code Section 441.21(14)(a)(6) shall receive an exemption from taxation on the first seventy-five thousand dollars (\$75,000) of actual value added by the Improvements for a period of five (5) years.

Comments on the Plan may be made in person; mailed to 627 N Adams St, Carroll, IA 51401; or by calling (712) 792-1000 or by e-mail mpoggeweaver@cityofcarroll.com. The proposed Urban Revitalization Area, as amended, includes the following described area:

All property within the Carroll City Limits as of July 1, 2021. To the extent allowed by law, any property annexed into the City after the effective date of the Plan, as amended, shall be

considered to have been part of the Area as of the effective date of its annexation to the City.
This notice is given by order of the City Council of the City of Carroll, Iowa, pursuant to Section 404.2(3,6) of the Code of Iowa, 2020, as amended.

Dated this 6th day of August 2021.

URBAN REVITALIZATION ORDINANCE

ORDINANCE NO. _____

An Ordinance Amending Ordinance No. 19-01 and Designating the City of Carroll, Iowa as an Urban Revitalization Area

Section 1. Purpose and Intent. Chapter 404 of the *Code of Iowa, 2021*, as amended (the "Act"), provides that a city may designate areas as revitalization areas eligible for property tax exemptions and authorizes cities to issue revenue bonds for improvements made within those revitalization areas.

By Resolution No. 18-122 the Council previously determined that certain areas within the City of Carroll, Iowa ("City") can be revitalized and the potential for permitted residential development enhanced by the adoption of an urban revitalization plan as authorized by the Act.

By Resolution No. 19-13 the Council adopted the Carroll Urban Revitalization Plan for the Carroll Urban Revitalization Area, and by Ordinance No. 19-01 the City established the Carroll Urban Revitalization Area.

On the 13th day of September 2021, the City of Carroll adopted a Resolution finding that the rehabilitation and redevelopment of additional property in the City of Carroll would be desirable and that said expanded area qualifies under Section 404.1 of the Act for designation as a Revitalization Area.

The City Council of the City of Carroll has deemed it appropriate to utilize the incentives of the Act to promote rehabilitation and redevelopment as well as new development.

The City Council of the City of Carroll has complied with all of the provisions of the Act relating to the designation of the entire City as a revitalization area, having prepared the amended Carroll Urban Revitalization Plan (the "Plan") for the amended Carroll Urban Revitalization Area and having published and mailed by ordinance mail notice of a public hearing on the amended Plan, and following the public hearing, has heretofore adopted the amended Plan for the expanded Carroll Urban Revitalization Area in the City of Carroll as described below.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CARROLL IA, as follows:

Section 2. Description. The following described real estate is hereby designated as a revitalization area under the Act, to be known as the Carroll Urban Revitalization Area:

The City of Carroll Urban Revitalization Area is all land located in the City of Carroll, Carroll County Iowa with in the following described area:

All property within the Carroll City Limits as of July 1, 2021. To the extent allowed by law, any property annexed into the City after the effective date of the Plan, as amended, shall be considered to have been part of the Area as of the effective date of its annexation to the City.

Section 3. Benefits. The benefits of revitalization shall be only to the extent provided by the amended Plan as heretofore adopted by the City Council of the City of Carroll, and as may be amended from time to time under the Act, and that any person, firm, corporation, or other entity seeking to utilize the benefits of revitalization shall comply with the requirements set forth in that Plan.

Section 4. Repealer. All ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed to the extent of such conflict.

Section 5. Severability. If any section, provision or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

Section 6. Effective Date. This ordinance shall be in full force and effect from and after its publication, approval and passage as provided by law.

PASSED, ADOPTED AND APPROVED this _____ day of _____, 2021.

FROM: Randall M. Krauel, Director of Public Works *RMK*

DATE: October 20, 2021

SUBJECT: Adams Street Reconstruction
Agreement for Engineering Services

Proposals to provide Engineering Services for the Adams Street Reconstruction project development have been requested, received and reviewed. The project includes reconstruction of Adams Street from U.S. 30 to 13th Street. The following firms were invited to submit proposals.

JEO Consulting Group, Inc.
McClure Engineering Company

Both firms are qualified to provide the services necessary to successfully complete the project development.

Proposal evaluation based on firm and individual qualifications, experience, scope of services and schedule resulted in McClure Engineering Company having a slight advantage.

The fees included with the McClure Engineering Company Proposal are as follows:

Project Management	\$31,300.00 Lump Sum
Project Coordination	\$14,440.00 Lump Sum
Project Survey	\$43,000.00 Lump Sum
Geotechnical Engineering	\$16,830.00 Lump Sum
Project Televising	\$5,890.00 Lump Sum
Project Design	\$83,150.00 Lump Sum
Special Assessments	\$13,200.00 Lump Sum
Bidding Services	\$5,880.00 Lump Sum
Construction Administration	<u>\$14,840.00</u> Hourly (NTE)
Total Project Fee	\$228,530.00

The preliminary Project Schedule included in the McClure Engineering Company Proposal is summarized as follows:

Agreement	October 25, 2021
Survey, Design, Coordination	February 4, 2022
Bid Letting	February 22, 2022
Construction	April – November, 2022

RESOLUTION NO. _____

RESOLUTION APPROVING THE AGREEMENT FOR ENGINEERING SERVICES WITH MCCLURE ENGINEERING COMPANY FOR THE ADAMS STREET RECONSTRUCTION PROJECT.

WHEREAS, Chapter 17 of the Code of Ordinances of the City of Carroll, Iowa, provides that contracts made by the City be approved by the City Council; and,

WHEREAS, an Agreement for Engineering Services for the development of the Adams Street Reconstruction project has been prepared with McClure Engineering Company; and,

WHEREAS, the City Council has determined that the Agreement for Engineering Services is in the best interests of the City and the residents thereof.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Carroll, Iowa, that the Agreement for Engineering Services with McClure Engineering Company for the Adams Street Reconstruction project is approved and the Mayor is authorized and directed to sign the Agreement on behalf of the City.

Passed and approved by the Carroll City Council this 25th day of October, 2021.

Agreement for Engineering Services

This Agreement, is made on the 25th day of October, 2021, by and between *McClure Engineering Company, of Carroll, Iowa*, (herein referred to as "ENGINEER") and the *City of Carroll, Iowa* (hereinafter referred to as "OWNER"). The ENGINEER will provide services per the terms and conditions outlined in this Agreement and in accordance with the scope and schedule presented in Exhibit 'A'. The services will be compensated for in accordance with the fees or hourly rates as presented in Exhibit 'A', for the Project described as:

Adams Street Reconstruction U.S. 30 to 13th Street City of Carroll, Iowa

1. The OWNER shall provide information per the OWNER's responsibilities presented in Exhibit 'B' in a timely manner so as not to delay the services provided by the ENGINEER.
2. Payment to the ENGINEER shall be made within 30 days of invoice for work completed to date. The invoice will include the percentage of work complete, an estimate to complete and, a brief project status summary.
3. Past due amounts owed shall accrue interest at 1.5% per month from the 30th day. If the OWNER fails to make monthly payments due the ENGINEER, the ENGINEER may, after giving (7) days written notice to the OWNER, suspend services under this agreement.
4. THIS AGREEMENT IS SUBJECT TO ALL THE TERMS AND CONDITIONS LISTED ON PAGE 2 OF THIS AGREEMENT.
5. This Agreement represents the entire and integrated agreement between the OWNER and the ENGINEER and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the OWNER and the ENGINEER.
6. Neither party to this AGREEMENT will be liable to the other party for unavoidable delays in performing the Scope of Services, or for the direct or indirect cost resulting from such delays, that may result from acts of God, acts of governmental authorities, extraordinary weather conditions or other natural catastrophes, or any other cause beyond the reasonable control or contemplation of either party. Each party will take reasonable steps to mitigate the impact of any force majeure. The ENGINEER will adjust the schedule and compensation under this agreement to the extent that ENGINEER's schedule and compensation are equitably adjusted by the OWNER.

Unavoidable Delays means delays in performance resulting from acts or occurrences outside the reasonable control of the party claiming the delay in performance, including but not limited to storms, floods, excessive rain, hail, wind, hurricanes, tornadoes, fires, explosions or other casualty losses, unusual weather conditions, global medical pandemics, including but not limited to that certain global medical pandemic which has come to be known as "Coronavirus" or "Covid-19", national medical pandemics in the United States of America, strikes, boycotts, lockouts or other labor disputes, delays in transportation or delivery of material or equipment, litigation commenced by third parties, or the acts, restrictions, or prohibitions of any federal, State or local governmental unit.

7. The amount of the ENGINEER's compensation is \$228,530.00. The contract type is Lumpsum.

McCLURE ENGINEERING COMPANY STANDARD TERMS AND CONDITIONS

ACCESS TO SITE: The Engineer shall at all times have access to the site to complete his Work.

INFORMATION PROVIDED BY OTHERS: The Engineer shall be entitled to rely upon the accuracy and completeness of data provided by the Owner and shall not assume liability for such data. The Engineer does not practice law, insurance or financing, therefore, the Owner shall furnish all legal, accounting and insurance counseling services as may be necessary to protect themselves at any time during the Project. Owner shall hold Engineer harmless from damages that may arise as a result of inaccuracies of information or data supplied by Owner or others to Engineer.

ADDITIONAL SERVICES: As an Additional Service In connection with changes in the scope of the Engineer's work by the Owner, the Engineer shall prepare Drawings, Specifications and other documentation and data, evaluate Contractor's proposal and provide any other services made necessary by such Change Orders and Construction Change Directives. The Engineer will be entitled to additional compensation to coordinate such changes and schedules shall be adjusted accordingly.

OWNERSHIP AND REUSE OF DOCUMENTS: All documents are instruments of service, and Engineer shall retain an ownership and property interest therein (including the copyright and the right of reuse at the discretion of the Engineer) whether or not the Project is completed.

Owner may make and retain copies of documents for information and reference in connection with the use of the documents on the Project. Engineer grants Owner a limited license to use the documents on the Project, extensions of the Project, and for related uses of the Owner, subject to receipt by Engineer of full payment due and owing for all services relating to preparation of the documents, and subject to the following limitations: (1) Owner acknowledges that such documents are not intended or represented to be suitable for use on the Project unless completed by Engineer, or for use or reuse by Owner or others on extensions of the Project, on any other project, or for any other use or purpose, without written verification or adaptation by Engineer; (2) any such use or reuse, or any modification of the documents, without written verification, completion, or adaptation by Engineer, as appropriate for the specific purpose intended, will be at Owner's sole risk and without liability or legal exposure to Engineer or to its officers, directors, members, partners, agents, employees, and consultants; (3) Owner shall indemnify and hold harmless Engineer and its officers, directors, members, partners, agents, employees, and consultants from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from any use, reuse, or modification of the documents without written verification, completion, or adaptation by Engineer; and (4) such limited license to Owner shall not create any rights in third parties.

If Engineer at Owner's request verifies the suitability of the documents, completes them, or adapts them for extensions of the Project or for any other purpose, then Owner shall compensate Engineer at rates or in an amount agreed upon by Owner and Engineer.

OPINIONS OF PROBABLE COSTS: Engineer's opinions (if any) of probable construction costs are to be made on the basis of Engineer's experience, qualifications, and general familiarity with the construction industry. However, because Engineer has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, Engineer cannot and does not guarantee that proposals, bids, or actual construction cost will not vary from opinions of probable construction cost prepared by Engineer. If Owner requires greater assurance as to probable construction cost, then Owner agrees to obtain an independent cost estimate.

BETTERMENT: If a required item or component of the Owner's project should be omitted from Engineer's construction documents, Engineer shall not be responsible for paying the cost required to add such item or component to the extent that such item or component would have been required and included in the original construction documents. In no event will Engineer be responsible for any cost or expense that provides betterment or upgrades or enhances the value of the Owner's project.

SHOP DRAWING REVIEW: If, as part of this Agreement Engineer reviews Contractor submittals, such as shop drawings, product data, samples and other data, as required by Engineer, these reviews and approvals shall be only for the limited purpose of checking for conformance with the design concept and the information expressed in the contract documents. This review shall not include review of the accuracy or completeness of details, such as quantities, dimensions, weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades or construction safety precautions, all of which are the sole responsibility of the Contractor. Engineer shall not be responsible for any deviations from the contract documents not brought to the attention of Engineer in writing by the contractor. Engineer shall not be required to review partial submissions or those for which submissions of correlated items have not been received.

CONSTRUCTION OBSERVATION: If, as part of this Agreement, Engineer is providing construction observation services, Engineer shall visit the project at appropriate intervals during construction to become generally familiar with the progress and quality of the Contractor's work and to determine if the work is proceeding in general accordance with the Contract Documents. Engineer shall not at any time supervise, direct, control, or have authority over any contractor's work, nor shall Engineer have authority over or be responsible for the means, methods, techniques, sequences, schedule, or procedures of construction selected or used by any contractor, or the safety precautions and programs incident thereto, for the security or safety at the site, nor for any failure of a contractor to comply with laws and regulations applicable to that contractor's furnishing and performing of its work. Engineer shall not be responsible for the acts or omissions of any contractor.

Engineer neither guarantees the performance of any contractor nor assumes responsibility for any contractor's failure to furnish and perform the work in accordance with the construction contract documents.

Engineer shall not be responsible for any decision made regarding the construction contract documents, or any application, interpretation, clarification, or modification of the construction contract documents, other than those made by the Engineer or its consultants.

Unless otherwise specified in this Agreement, the Owner has not retained the Engineer to make detailed inspections or to provide exhaustive or continuous project review and observation services.

DESIGN WITHOUT CONSTRUCTION PHASE SERVICES: If Engineer is not retained for construction observation and/or on-site resident observation services, Engineer shall have no

design, shop drawing review, or other obligations during construction, and Owner assumes all responsibility for the application and interpretation of construction contract documents, review and response to contractor claims, construction contract administration, processing of change orders and submittals, revisions to the construction contract documents during construction, construction observation and review, review of contractor's payment applications, and all other necessary construction phase administrative, engineering, and professional services. Owner waives all claims against the Engineer that may be connected in any way to construction phase administrative, engineering, or professional services.

SUBSURFACE CONDITIONS: The Engineer may advise the Owner to conduct soil and/or subsurface testing and analysis to provide information to the Owner, Engineer, and contractor(s) as to the subsurface conditions that may generally be encountered during subsurface construction.

The Engineer cannot warrant or guarantee that the information provided is reflective of all subsurface conditions that may be encountered, or to the extent that subsurface conditions such as soil properties, groundwater, rock, etc., may vary from location to location throughout subsurface construction.

Any unexpected change or unforeseen subsurface conditions (including those that may be caused by weather conditions) will be addressed when encountered and may result in a change in construction price and/or schedule, and the Engineer shall be held harmless from issues arising out of these unseen subsurface conditions.

HAZARDOUS MATERIALS – INDEMNIFICATION: The Engineer is not in the business of making environmental site assessments for purposes of determining the presence of any toxic, hazardous or other environmental damaging substances. The purpose of this provision is to be certain that the Owner is aware of the potential liability if toxic, hazardous or environmental damaging substances are found on or under the property. Engineer makes no representations regarding an environmental site assessment, relies upon Owner to have fully investigated the need and/or scope of such assessment and assumes no responsibility for the determination to make an environmental site assessment on the subject property.

DISPUTE RESOLUTION: Claims, disputes or other matters, involving a value less than \$200,000.00, in question between the parties to this Agreement arising out of or relating to this Agreement or breach thereof shall be subject to mediation unless each of the parties mutually agrees otherwise. No mediation arising out of or relating to this Agreement shall include, by consolidation, joinder or in any other manner, an additional person or entity not a party to this Agreement, except by written consent containing a specific reference to this Agreement signed by the Owner, Engineer, and any other person or entity sought to be joined. In no event shall the demand for mediation be made after the date when the institution of legal or equitable proceedings based upon such claim would be barred by the applicable statute of limitations. The award rendered in the mediation shall be non-binding.

TERMINATION: This Agreement may be terminated by either party upon not less than seven days written notice should the other party fail substantially to perform in accordance with the terms of the Agreement through no fault of the party initiating the termination. This Agreement may be terminated by the Owner upon not less than seven days' written notice to the Engineer in the event the Project is permanently abandoned.

Failure of the Owner to make payments to the Engineer in accordance with the Agreement shall be considered substantial non-performance and cause for termination. If the Owner fails to make payment when due the Engineer for services, the Engineer may, upon seven days' written notice to the Owner, suspend performance of services under this Agreement. Unless payment in full is received by the Engineer within seven days of the date of the notice, the suspension shall take effect without further notice. In the event of a suspension of services, the Engineer shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services.

In the event of termination not the fault of the Engineer, the Engineer shall be compensated for services performed prior to termination and all termination expenses. Termination expenses are in addition to compensation for Basic and Additional Services, and include expenses which are directly attributable to termination.

INDEMNIFICATION: To the fullest extent permitted by law, Engineer and the Owner shall indemnify and hold each other harmless and their respective officers, directors, partners, employees from and against any and all claims, losses, damages, and expenses (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) to the extent such claims, losses, damages, or expenses are caused by the indemnifying parties' negligent acts, errors, or omissions. In the event claims, losses, damages, or expenses are caused by the joint or concurrent negligence of Engineer and the Owner, they shall be borne by each party in proportion to its negligence.

PAYMENT: Amounts unpaid 30 days after invoice date shall bear interest from the date payment is due at a rate of 1.5% per month compounded and shall include costs for attorney fees and other collection fees related to collecting fees for service.

WAIVERS: The Owner and the Engineer waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, but only to the extent covered by property insurance during construction. The Owner and Engineer each shall require similar waivers from their contractors, consultants and agents.

ASSIGNMENT: The Owner and Engineer, respectively, bind themselves, their partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. Neither Owner nor Engineer shall assign this Agreement without the written consent of the other.

GOVERNING LAW: Unless otherwise provided, the Agreement shall be governed by the laws of the State of Iowa.

COMPLETE AGREEMENT: This Agreement represents the entire and integrated agreement between the Owner and Engineer and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Owner and Engineer. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Owner or Engineer.

Project No.: 0000211181-000
Project Name: City of Carroll Adams Street Reconstruction
Project Manager: Cody Forch, PE

Exhibit A: Scope of Services

Consultant's Scope of Services is described as follows: Project Management and Coordination, Project Survey Design, and Construction Administration and Inspection to complete the Adams Street Reconstruction Project from U.S. 30 to 13th Street. Exact project limits will be defined during preliminary engineering following assessments of the existing utilities and pavement, but the below scope of work assumes the intersection of U.S. 30 is excluded. The project will include partial to complete reconstruction/rehabilitation of city utilities within the project limits including, but not limited to, sanitary sewer mains and manhole structures, storm sewer mains and intake structures, water mains, valves and hydrants, and complete removal and replacement of pavement/sidewalks.

The following is a description of the Consultant's work tasks.

PHASE 1 – PROJECT MANAGEMENT AND COORDINATION

Task 1A: Project Management

The Consultant shall work closely and coordinate with the City of Carroll, Iowa Department of Transportation, Carroll Community School District, regulatory agencies, sub-consultants, and impacted businesses and property to maintain an efficient and coordinated project development process. The Project Management task item includes the following tasks:

- General administrative duties including preparation of invoices, maintaining and updating the project design schedule, record keeping, and file management.
- Prepare monthly progress reports including a summary of work completed, upcoming project tasks, budget notifications, and any needed city input.
- Submit 30%, 60%, 90%, and final plans to the City of Carroll.
- Coordinate, as necessary, to submit for and obtain all necessary permits through regulatory agencies including, but not limited to, the Iowa Department of Natural Resources and Iowa Department of Transportation. Permit fees to be paid by the City of Carroll.
- Complete internal Quality Control/Quality Assurance reviews for all deliverables and sub-consultant submittals.

Task 1B: Project Coordination

The Consultant shall coordinate the project with the impacted neighborhoods, businesses, public agencies, and other stakeholders. The Project Coordination task item includes the following tasks:

- Facilitate a project kickoff meeting and field walk-thru with city staff to review existing conditions.
- Coordinate and attend progress meetings to discuss current project issues and obtain design feedback from city staff. Three (3) meetings are included: review of 30%, 60%, and 90% plans. Draft and final meeting minutes will be provided post-meeting.
- Perform utility coordination with private utility franchises located within the project limits. This will include preliminary coordination letters to confirm utility locations and contact information, final coordination letters to provide final design documents, and one (1) utility coordination meeting to comply with Iowa Code.

- Host/attend public meetings. Two (2) informational, open-house style meetings will be held prior to bid letting. The Consultant will prepare a presentation and handout materials to assist in guiding discussions.

PHASE 2 – DATA COLLECTION AND CONCEPTUAL DESIGN

Task 2A: Project Survey

The Consultant shall conduct all necessary surveys of the project area right-of-way and areas to be impacted by construction activities to field verify and document conditions. The Project Survey task item includes the following tasks:

- Establish horizontal and vertical survey control points.
- Research of existing property lines and public right-of-way.
- Locate existing section corners and preserve locations with reference ties.
- Coordinate the One Call design locate request. Obtain existing utility maps from utility companies.
- Obtain and review existing utility maps from City GIS.
- Survey and locate all topographic features within the project corridor extending from building face to building face, terminus intersections, and 50-feet along sideroads.
- CAD drafting of existing conditions survey.
- Take photographs of project area to document pre-construction conditions.

Task 2B: Geotechnical Engineering

The Consultant shall conduct all necessary soil and pavement borings for the project and perform Geotechnical Engineering services. The Geotechnical Engineering task item includes the following tasks:

- The Consultant will perform six (6) soil borings to depths of 15 feet below existing grade. The Consultant will patch sample locations at the completion of work.
- The Consultant will locate public utilities through the Iowa One Call Service in advance of borings.
- The Consultant will review field data and assign various laboratory tests, which are anticipated to consist of:
 - Water Content
 - Atterberg Limits
 - Dry Unit Weight
 - Grain size distribution (sieve analyses)
 - Standard Proctor
- A geotechnical data report that will include boring logs with field and laboratory data, soil profile fence diagram, stratification based on visual soil description, groundwater levels observed during, shortly after, and approximately 1 day after drilling, and spreadsheet with laboratory results and soil classification (USCS).
- Geotechnical analyses and recommendations provided for soil treatments and pavement design thickness, both flexible and Portland Cement Concrete, will be provided on construction plans. Plans will include plan and profile sheet(s) showing available geotechnical information and construction notes.

Task 2C: Project Televising

The Consultant shall perform utility televising services for the existing sanitary sewers and manholes, sanitary sewer services lines, and storm sewer within the project limits. The Project Televising task item includes the following tasks:

- Mobilization and video of the sewer.
- Video will include up to 2,400 linear feet of sanitary sewer and 1,540 linear feet of storm sewer. Additional video shall be approved by the City and paid for via agreement amendment.
- A written report and video of the findings will be delivered to the City.

Task 2D: Project Design

The Consultant shall develop schematic design concepts and plans following the City's project development process. All plans and specifications will conform to SUDAS, and current Carroll supplement to SUDAS requirements. The design shall evaluate and integrate potential cost saving solutions into the project. The Project Design task shall be divided into a Preliminary Design Stage and Final Design Stage. The Project Design task item includes the following tasks:

Preliminary Design

- Research and identify environmental or permitting factors which would impact the scope or schedule of the project (i.e. LUST sites, tree clearing, etc.).
- Assess need for replacement vs. rehabilitation of the existing public utility within the project corridor.
- Initial layout of design elements including horizontal and vertical alignments, roadway and intersection geometrics, driveway geometrics, accessible pedestrian curb ramps and sidewalk, preliminary public utility layout (sanitary sewer, storm sewer, and water main).
- Preliminary project staging and traffic control plan development.
- Prepare a Preliminary Plan submittal for City review and comment:
 - ✓ Preliminary plans
 - A Sheets – Title Sheet (30%/60%)
 - B Sheets – Typical Cross Sections and Details (30%/60%)
 - D Sheets – Mainline Plan and Profile Sheets (30%), including ground line intercept (60%)
 - E Sheets – Side Road Plan and Profile Sheets (30%), including ground line intercept (60%)
 - M Sheets – Buried Pipe Sheets (30%/60%)
 - W Sheets – Mainline Cross Sections (every 25') (60%)
 - ✓ Outline specifications
 - ✓ Engineer's Opinion of Construction Cost (30%/60%)
 - ✓ Preliminary drainage and project design criteria reports
- It is assumed construction activities will not impact private property, thus preparation of zero (0) temporary easements and zero (0) permanent acquisition plats, legal descriptions, and/or exhibits are anticipated. If the City determines acquisition plats or legal descriptions are necessary, then the Consultant shall prepare these at a negotiated cost.

Final Design

- Following collection of internal QA/QC, City review comments, and utility/public coordination input, McClure will prepare 90% and final plans. Sheets developed at 30%/60% will be further developed and the following sheets added:
 - ✓ Check Plans and Final Plans
 - C Sheets – Quantities and General Information

- o G Sheets – Survey Sheets
 - o J Sheets – Traffic Control and Staging Sheets
 - o L Sheets – Geometric, Staking, and Jointing Sheets
 - o Q Sheets – Soils Sheets
 - o R Sheets – Erosion and Sediment Control (SWPPP)
 - o S Sheets – Sidewalk Sheets
 - o U Sheets – Design Details, Modified Standards, and Detail Sheets, as needed.
- ✓ Special Provisions and technical specifications, as needed.
- ✓ Engineer’s Opinion of Construction Cost
- Complete a final drainage study report (high-level), to verify:
 - ✓ Site characteristics
 - o Pre-developed conditions
 - o Post-developed conditions
 - o Contributing off-site drainage
 - ✓ Post-development runoff analysis
 - ✓ Stormwater conveyance design
 - o Storm sewer hydraulic grade line graphically displayed on storm sewer plan and profile sheets
 - o Tables of storm sewer intake and pipe design data
 - o Street spread for intakes at design year and 100-year events
- Deliver all electronic files to the City that were used in the project.

Task 2E: Special Assessment

- Prepare preliminary and final special assessment plats and schedules.

PHASE 3 – BIDDING AND CONSTRUCTION SERVICES

Task 3A: Bidding Services

This task includes services necessary to assist the City with the following tasks:

- Furnish plans and contract documents to the City and provide copies to prospective bidders directly or through digital plan service.
- Respond to questions from contractors, subcontractors, and suppliers.
- Furnish necessary addenda as identified through the bidding process and prepare revision sheets, as necessary.
- Attend bid opening and confirm bid prices as tabulated by the City. Confirm bid prices and provide a recommendation of award to the City.

Task 3B: Construction Services

This task includes minimal post-letting activities necessary to assist City staff with various tasks throughout the process. The Construction Services task item includes the following tasks:

- Attend preconstruction and monthly construction progress meetings.
- Assist City with review and approval of contractor shop drawings.
- Answer questions and clarify issues between plans and field conditions. On-site review and/or preparation of revised drawings is included.
- Incorporate Public Relations Campaign items as deemed necessary by the City during scoping process.

- Prepare weekly progress updates/communication for local businesses and residences as construction proceeds. Progress updates to include work recently completed, upcoming construction tasks, and updated construction schedule.
- Participate in preparation of a project Punch List, including a final project walk-thru.

Items not included with this scope:

- Pavement cores.
- Utility verification test holes.
- Grant administration.
- Preparation and/or review of environmental studies including wetlands or cultural studies.
- Land purchase costs, closing costs associated with land acquisition, and costs associated with condemnation process.
- Any permit and publication fees associated with permit applications.
- Other permits not indicated within the scope.
- Additional engineering for retaining wall design beyond minimum heights per SUDAS details for landscaping retaining walls and combined retaining wall/sidewalk.
- Special meetings and meetings not outlined in the Scope of Services.
- Material Testing Services.
- Sewer pipe cleaning and HydroVac.
- Boundary retracement of existing lots to set missing monuments.
- Record of Property Ownership and Lien Certificates, right-of-way negotiations, compensation estimates, warranty deeds, and condemnation support.
- Project management and coordination tasks beyond the scheduled project completion period.
- Additional borings, additional depth of borings, and additional Geotechnical Engineering design beyond specified in the Scope of Services.
- Preparation of bidding or contract documents for alternate bid prices.
- Design changes or requests not deemed as a design error by the Consultant after the 90% plan submittal.
- Construction Administrative Services not specifically mentioned above, including but not limited to:
 - Preparing monthly pay estimates.
 - Preparing change orders including justifications and recommendations.
 - Monthly progress meetings and bi-weekly site visits
 - Additional site visits not outlined in the Scope of Services.
 - Progress updates and communication with residents during the construction period.
 - Coordinating and performing soil testing.
 - Preparing revision sheets, if necessary.
 - Final on-site meeting, punch list preparation and review.
 - Other Construction Administrative tasked beyond that as outlined in the Scope of Services.
- Resident Project Representation services, including but not limited to:
 - Reviewing contractor's work for general compliance with plans and specifications.
 - Complete daily construction observation reports.
 - Review delivered materials for compliance.
 - Compile records and prepare record drawings.
 - Observe punch list items are completed.
- Construction Staking Services.
- Other services not specially outlined in this Scope of Services.

PROJECT SCHEDULE

The following is the estimated time frame for this project. All calendar days are estimated, subject to acceptance day with the Owner.

- Notice to Proceed – October 25, 2021
- Project Kickoff Meeting – November 8, 2021
- 30% Design Meeting – November 30, 2021
- Public Information Meeting #1 – December 7, 2021
- 60% Design Meeting – December 28, 2021
- Utility Coordination Meeting – January 4, 2022
- 90% Design Meeting – January 25, 2022
- Public Information Meeting #2 – February 1, 2022
- Final Plans & Specifications – February 4, 2022
- Bid Letting – February 22, 2022
- Construction services – As construction proceeds 2022

FEE SCHEDULE

Phase 1: Project Management and Coordination

- | | | |
|---|---------------|-------------|
| <input checked="" type="checkbox"/> 1A. Project Management..... | Lump Sum..... | \$31,300.00 |
| <input checked="" type="checkbox"/> 1B. Project Coordination..... | Lump Sum..... | \$14,440.00 |

| <input checked="" type="checkbox"/> 3B. Construction Administration | Lump Sum..... | \$14,840.00 |

Total Project Fee..... \$228,530.00

Exhibit B: OWNER's Responsibilities

OWNER shall do the following in a timely manner so as not to delay the services of the ENGINEER:

1. Designate in writing a person to act, as OWNER'S representative with respect to the services to be rendered under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define OWNER'S policies and decisions with respect to ENGINEER'S services for the Project.
2. Provide all criteria and full information as to OWNER'S requirements for the Project, including design objectives and constraints, space, capacity and performance requirements, flexibility and expendability, and any budgetary limitations; and furnish copies of all design and construction standards, which OWNER will require to be included in the drawings and specifications.
3. Assist ENGINEER by placing at ENGINEER'S disposal all available information pertinent to the Project including previous reports and any other data relative to design or construction of the Project.
4. Arrange for access to make all provisions for ENGINEER to enter upon public and private property as required for ENGINEER to perform services under this Agreement.
5. Examine all studies, reports, sketches, drawings, specifications, proposals and other documents presented by ENGINEER, obtain advice of an attorney, insurance counselor and other consultants as OWNER deems appropriate for such examination and render in writing decisions pertaining thereto within a reasonable time so as not to delay the services of ENGINEER.
6. Furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.
7. Attend the prebid conference, bid opening, preconstruction conferences, construction progress and other job related meetings and substantial completion inspection and final payment inspection.
8. Give prompt written notice to ENGINEER whenever OWNER observes or otherwise becomes aware of any development that affects the scope or timing of ENGINEER'S services, or any defect or non-conformance in the work of any Contractor.
9. Arrange for financing and pay for services as agreed to in this Agreement.

Title VI/Non-Discrimination Assurances

APPENDIX A

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation **Federal Highway Administration**, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Non-discrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the **Federal High Administration** to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the **Federal Highway Administration**, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the **Federal Highway Administration** may determine to be appropriate, including, but not limited to:
 - a. withholding payments to the contractor under the contract until the contractor complies; and/or
 - b. cancelling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the **Federal Highway Administration** may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

Title VI/Non-Discrimination Assurances

APPENDIX E

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21;
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 *et seq.*), (prohibits discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq.*), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27;
- The Age Discrimination Act of 1975, as amended (42 U.S.C. § 6101 *et seq.*), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 - - 12189) as implemented by Department of Transportation regulations at 49 CFR Parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 *et seq.*).

City of Carroll

627 N. Adams Street

Carroll, Iowa 51401

(712) 792-1000

FAX: (712) 792-0139

MEMO TO: Honorable Mayor and Members of the City Council

FROM: Mike Pogge-Weaver, City Manager *MSPW*

DATE: October 20, 2021

SUBJECT: Committee Reports

1. Library Board (meets 3rd or 4th Monday of month) –
2. Board of Adjustment (meets 1st Monday of month) –
3. Planning and Zoning Commission (meets 2nd Wednesday of month) –
4. Carroll Airport Commission (meets 2nd Monday of month) – **October 11, 2021**
5. Parks, Recreation & Cultural Advisory Board (meets 1st Monday of January, March, May, July, September and November) –
6. Carroll County Solid Waste Management Commission (meets 2nd Tuesday of month) – **October 12 and 21, 2021**
7. Carroll Historic Preservation Commission (no regular meeting dates) –
8. Safety Committee (no regular meeting dates) –
9. Civil Service Commission (as needed) –

CARROLL AIRPORT COMMISSION

Regular Meeting

The regular meeting of the Carroll Airport Commission was held on Monday, October 11, 2021, at the Arthur Neu Airport. Commission members in attendance were Norman Hutcheson, Greg Siemann, Kevin Wittrock and Dick Fulton. Gene Vincent attended via telephone. Also attending were Don Mensen, airport manager and Carol Schoeppner, recording secretary. Chairman Hutcheson conducted the 5:30 P.M. meeting.

MINUTES

The minutes of the previous meeting were reviewed by the Commission. A motion by Comm. Fulton and seconded by Comm. Siemann was made to approve the minutes. Motion carried by Commissioners Hutcheson, Siemann, Vincent, Wittrock and Fulton.

FALL SPRAYING

Don will start the fall spraying and if he does not finish the entire airport within a week, the remaining will have to wait until spring.

FARM REPORT

Comm. Vincent reported beans were sold to Landus for \$19,418.97 and corn was sold to New Cooperative for \$24,656.76. The hay crop and cash rent is due this year.

TOPICS DISCUSSED:

Scout Clean Energy was on the agenda but did not attend. The turbines being erected south of Arcadia will not interfere with Carroll Traffic.

T-hangers and box hangers were discussed because of the need for more hanger space. The monthly leases were discussed.

BILLS

The following bills were presented to the Carroll Airport Commission for approval:

Carroll Aviation	contract	\$ 6,800.00
New Cooperative	ground water tax	8.72
Echo Group	bulb	22.93
Wittrock Motor	Sept car rental	349.00
Performance Tire	Kubota tire	51.00
Bomgaars	rodent bait	110.94
Ecowater	cooler rent/water	151.24
Carroll Aviation	runway lights from ADB Safegate	362.90
Carroll Refuse	September garbage	57.00
Raccoon Valley Elec	Sept electric service	942.13
Ten Point Const	runway repair	8,768.12
Carol Schoeppner	secretary contract	350.00

A motion by Comm. Siemann and seconded by Comm. Fulton was made to approve the bills as presented to the Carroll Airport Commission. Motion carried by Commissioners Hütcheson, Siemann, Vincent, Wittrock and Fulton.

The next regular meeting of the Carroll Airport Commission will be November 8, 2021, at the Arthur Neu Airport.

Chairman/Vice-Chairman

CARROLL COUNTY SOLID WASTE MANAGEMENT COMMISSION EXECUTIVE BOARD MEETING-UNOFFICIAL MINUTES

October 12, 2021

1. The meeting was called to order at 6:32 a.m. by Chair Jeff Anthofer, Mayor of Coon Rapids at the Carroll County Recycling Center. Others in attendance were: Scott Johnson, Carroll County Board of Supervisor; Dan Snyder, City of Breda; Dr. Eric Jensen, Mayor of Carroll; Harvey Dales, City of Manning; Mary Wittry, Director; Cathy Toms, Office Manager; and Lynn Wuebker, Landfill Operator.
2. Dales moved and Dr. Jensen seconded to approve the agenda as presented. Motion carried, all voting aye.
3. Johnson moved and Snyder seconded to approve the minutes of the September 14, 2021 meeting as presented. Motion carried, all voting aye.
4. Harvey Dales reviewed the bills payable -see attached. Wittry discussed the following bills: Foth Infrastructure and Environment -\$8,970.85, general consulting, Eastern area sampling, and Western expansion sampling; Silverstone - \$2,500, Post-retirement medical analysis; Office Stop - \$782.22, office supplies and scale tickets; and Ziegler - \$3,381.90, parts and preventative maintenance. Dales moved and Dr. Jensen seconded to approve the bills as presented. Motion carried, all voting aye.
5. Wittry presented the financial report, review of set aside accounts and market prices. Dales moved and Snyder seconded to approve the financial report, review of set aside accounts and market prices as presented. Motion carried, all voting aye.
6. Nathan Minkel, CPA with Bowman & Miller, P.C. presented a draft of the audit for 2020-2021. The audit will be approved at the November meeting.
7. Wittry reported that the Department of Natural Resources Legal Department has approved the environmental covenant and the paperwork needed to complete the covenant will arrive soon.
8. Snyder moved and Dr. Jensen seconded to approve a lease agreement with current renter at the recommended cash rent per acre. Motion carried, all voting aye.
9. Two grants have been submitted for the purchase of a new baler/conveyor to bale plastics from the sorting line. More information will be provided at a later date.
10. Policy manual revisions will be discussed at an upcoming meeting.
11. Lynn Wuebker was awarded the ISOSWO Professional Achievement Award - Landfill Operator at the solid waste management conference held in Cedar Rapids.
12. An aerial survey is being completed to determine compaction rates and airspace available.
13. Dr. Jensen moved and Johnson seconded to approval the wage recommendations for staff as discussed. Motion carried, all voting aye.
14. The next Executive Board meeting will be Tuesday, November 9, 2021 at 6:30 a.m.
15. Snyder moved and Dales seconded to adjourn the meeting at 7:48 a.m. Motion carried, all voting aye.

Respectfully submitted,

Mary Wittry

CARROLL COUNTY SOLID WASTE MANAGEMENT COMMISSION EXECUTIVE BOARD MEETING-UNOFFICIAL MINUTES

October 21, 2021

1. The meeting was called to order at 6:32 a.m. by Chair Jeff Anthofer, Mayor of Coon Rapids at the Carroll County Recycling Center. Others in attendance were: Scott Johnson, Carroll County Board of Supervisor; Dan Snyder, City of Breda; Harvey Dales, City of Manning; and Mary Wittry, Director.
2. Dales moved and Johnson seconded to approve the agenda as presented. Motion carried, all voting aye.
3. Dales moved and Snyder seconded to approve employee compensation as discussed. Motion carried, all voting aye.
4. Snyder moved and Johnson seconded to adjourn at 7:35 a.m. Motion carried.

Respectfully submitted,

Mary Wittry

City of Carroll

627 N. Adams Street

Carroll, Iowa 51401

DATE: October 21, 2021

SUBJECT: Union Pacific Railroad Quiet Zone Investigation Update – 2021

On April 12, 2021, the City entered an Agreement for Professional Services with Bolton & Menk, Inc. for the Union Pacific Railroad Quiet Zone Study Update. The Agreement included Study updates to the following street – railroad crossings:

Bella Vista Drive
N. Grant Road
N. Maple Street
N. Clark Street
N. Main Street
N. Carroll Street
Burgess Avenue

The Agreement Schedule include the following:

Review of Crossings, FRA & Traffic Data	May, 2021
Kickoff Meeting	May, 2021
Report Updates	May – June, 2021
Layout Updates	May – June, 2021
Opinion of Probable Cost Updates	May – June, 2021
Final Report – Submit to City	July 23, 2021
Final Report – City Review & Meetings	August – September, 2021
Final Report	2 weeks from return

Bolton & Menk, Inc. requested, and were administratively granted, a two-week extension on the submittal of the Final Report to the City. On August 9, 2021, Bolton & Menk, Inc. submitted the Union Pacific Railroad Quiet Zone Investigation Update to the City. City review has been ongoing since receipt of the Update. Mayor and City Council presentation has not been scheduled until October 25.

Representatives of Bolton & Menk, Inc. will be in attendance on October 25 to present the Update. Bolton & Menk, Inc. representatives will be able to address questions of the Mayor and City Council and prepare to incorporate desired changes into the Update Final Report.

Honorable Mayor and Council
City of Carroll

Carroll, Iowa

RE: Union Pacific Railroad Quiet Zone Investigation Update - 2021
Engineering Report
City of Storm Lake, IA
Project No.: 0A1.124378

Dear Mayor and Council:

This letter is a presentation of the updates to the Engineering Report completed in April of 2014 for the proposed railroad crossing safety improvements within the City of Carroll. There has been continued interest in the establishment of a quiet zone within the community and with changes since the original report, it was deemed that this update be the logical next step in this process.

1.0 Executive Summary

Bolton & Menk has completed updates to the preliminary investigations for the Quiet Zone (QZ) Feasibility Study along the Union Pacific mainline track within the community. The work has included a kickoff meeting with the City, review of changes to the physical conditions at the crossings within the proposed corridor, review of the Federal Rail Administration (FRA) and Union Pacific Railroad (UPRR) processes for establishing a quiet zone. Data collection included the field review of each crossing using city provided aerial photography and field observations of existing conditions along with traffic count information available from the Iowa Department of Transportation (IDOT).

It was requested by the City that additional options be considered at some of the crossings beyond the considerations in the original report. In the original report and based on previous experience, improvements were selected to minimize the City's costs while meeting the minimum safety requirements established per Federal Railroad Administration (FRA) criteria. For this update, more consideration was given to the impacts of the adjacent properties allowing the more cost intensive option of 4-quad gates to be assessed as well as other safety measures which typically include some mixture of the following:

- Medians or Channelization devices
- One-way streets with gates
- Four quadrant gates
- Crossing closures

The use of 4-quadrant gates as an SSM within a quiet zone requires additional costs that include design costs, equipment and installation costs and annual maintenance costs. An agreement must be executed with the UPRR for the design and integration of a 4-quadrant gate into their system, the exact amount of this agreement cannot be determined until the number of and makeup of the crossings is known. The construction costs are estimated at \$1,000,000 and may or may not include the engineering costs, but this is not classified in UPRR data and not a definitive number as the estimate on the UPRR website has been listed at \$500,000 for over a decade. The final cost is the annual maintenance agreement between the City and the UPRR for regular maintenance, repairs and integration verifications. This agreement will be based on the number of 4-quadrant gates included in the agreement and can be up to \$60,000 per year; however, the final amount would be negotiated between the parties.

For crossing closure, the UPRR will typically pay the City for the loss of the crossing. This amount is based on several factors and is part of the negotiation process when reviewing the crossings for the establishment of a quiet zone. The City must keep in mind that any crossing that is closed must have the right of way vacated and cannot be established as a crossing again in the future.

We have also taken Wayside Horns as a potential option for a crossing, but this is not an SSM. This will be discussed further in the body of the report.

Safety Improvements recognized by FRA fall into 2 categories:

Supplementary Safety Measures (SSM's) – Pre-approved risk reduction engineering treatments installed that maximize safety benefits and minimize risk.

Alternative Safety Measures (ASM's) – Safety Improvements that while not fully meeting the requirements are used to reduce risk, ASM's must be submitted to FRA for consideration of approval which may take a year for approval and are subject to an annual review of the ASM's effectiveness.

The recommended method for creating a Quiet Zone is to install SSM's at each public crossing within the corridor being considered. This reduces the risk significantly for the users of the highway/rail crossing and automatically qualifies for quiet zone establishment and is not subject to annual reviews. However, the installation of SSM's at every crossing is not practical in most communities, which then requires the investigator to consider what is feasible, both physically and politically at each crossing. Factors considered include:

- Is the crossing private or public
- Traffic volumes
- Location of driveways; commercial and residential
- Adjacent land uses and potential impacts
- Distance to adjacent side streets from the crossing
- Condition of the crossing, location of gate arms and signals
- Width of crossing pads
- Roadway and right of way widths
- Sidewalk locations and pedestrian movements

Bolton & Menk has consistently taken the approach that physical improvements such as raised medians in combination with crossing closures is the most practical approach to reduce risk. However, for this update considerations such as impacts to the adjacent properties and stakeholder buy-in is an increased significant factor. As such, the improvement scenarios discussed meet the FRA criteria for quiet zone creation as evidenced by the QZ calculator and scenario matrix. This approach leads to numerous potential scenarios that will allow for a quiet zone, but the final choice of scenario is left to the City of Carroll and its determination of cost, impacts and stakeholder buy-in.

The typical costs for installation of a raised median at a crossing assuming the crossing pads, gate arms and signals are adequate is in the range of \$100,000 to \$200,000, whereas the costs to install 4-quadrant gates at the same crossing would exceed \$1,000,000. The UPRR has made significant changes to how it handles the investigation and implementation of quiet zones. These changes will have impacts to schedules and budgets and will be discussed in more detail in the body of the report.

The corridor selected for your QZ extends from Bella Vista Road on the east side of Carroll to Burgess Avenue on the west. The total length of the QZ, if implemented, is approximately 3 miles in length and would cover the majority of the community impacted by the train horns.

Multiple options for consideration are provided for the Burgess, Main, Clark, Maple and Grant highway/rail crossings to meet local conditions.

Burgess Street – This crossing includes multiple options. Leaving the crossing open is the simplest option for consideration; however, this impacts what needs to be done at other crossings to achieve the quiet zone requirements. The installation of a 4-quadrant gate system also keeps the impacts to the adjacent streets to a minimum and does not impede or narrow traffic lanes for heavy industrial truck traffic but is the most expensive of the options. Installation of raised medians are a more economical method, but the proximity of the adjacent streets on the east side increase the difficulty of adding the medians as safety improvements. The fourth option is the installation of a wayside horn. The cost is comparable to the raised median method and given the location of the crossing in the community and the directional sound of the horns in this area, makes this a very viable option.

Main Street – We have provided three separate options due to the location of E 4th Street on the north side of the crossing. All options meeting the QZ requirements. The first option provides for raised medians but requires 4th Street to be shifted north and also removes on-street parking and restricts access within the median area south of the crossing. The 2nd option technically shows the crossing open within the FRA requirements and calculations, but includes additional safety improvements at the crossing, these can be considered optional. The third is for the installation of additional gates so that the crossing functions as a 4 Quadrant gate system.

Maple Street – We have provided two separate options for this crossing: closure of the crossing and installation of raised medians. We recommend that the City council seriously consider the closure of the Maple Street crossing due to its low traffic volumes and its lack of need for circulation across the community with the two adjacent crossings (Grant and Clark) proposed to remain open. The stakeholder and community buy-in for this option is a major determining factor to its viability. The raised median option is fairly straight forward and does not impact any adjacent properties significantly. Closing Maple could also help provide some negotiation leverage with the UP when looking at the crossing and the cost associated with them.

Grant Street – There are two options being considered for the crossing at Grant St.: leaving the crossing open, again with the potential option for short medians as an additional safety measure. The second is for the 4-quadrant gate system due to the impacts it can have on the quiet zone calculations due to the higher volume of traffic.

Appendix I – Crossing Improvement Matrix summarizes the feasibility of completing the implementation of the QZ based on the level of safety measures installed at each crossing in the corridor. Several more scenarios have been included in this update and we have included a generalized overall improvement cost for each of the scenarios. This is to provide the City of Carroll more opportunity to consider the various scenarios and coordinate that with potential funding and stakeholder support.

Appendix J - shows the Preliminary Opinion of Project Construction Costs for most of the crossing options. An overall total is not shown due to the multiple options for several of the crossings and therefore would not be a clear indicator of the cost for the seven crossings.

2.0 Introduction

The City of Carroll requested Bolton and Menk, Inc. to prepare this Engineering Report of railroad safety improvements for seven railroad crossings on the Union Pacific Railroad mainline tracks. The crossings evaluated in this report are shown on Attachment A and include:

- Bella Vista Road (FRA 911914P)
- N. Grant Road (FRA 190771A)
- N. Maple Street (FRA 190772G)
- N. Clark Street (FRA 190773N)
- N. Main Street (FRA 190774V)
- N. Carroll Street (FRA 190775C)
- Burgess Avenue (FRA 190778X)

This report will provide the information and potential recommendations for improvements at these intersections to allow the City of Carroll to determine the most beneficial scenario of crossing treatments so that they can begin the process of establishing a Quiet Zone (QZ) on the Union Pacific mainline.

3.0 Union Pacific Quiet Zone Process

There have been several significant changes to how the UPRR handles their internal processes for dealing with the proposed establishment of a quiet zone. They have released their engineering staff and no longer deal directly with the diagnostic review or any needed design elements for the improvements to their track systems. Currently, they are utilizing the services of two consultant engineering firms: one to manage the quiet zone establishment process and one to provide the design engineering services for any improvements needed to the railroad facilities.

To be able to initiate a quiet zone, the UPRR will require the execution of an agreement between the City and the UPRR for an amount of up to \$40,000. This is to be executed prior to the start of any work with the UPRR and is for their involvement through the quiet zone establishment process. At the beginning of the quiet zone review in 2014, a diagnostic meeting was held between Bolton & Menk, representatives from the FRA, UPRR, IDOT and the City of Carroll. However, due to the amount of time that has elapsed since that meeting and the potential for use of SSM's other than those discussed at the first meeting, the City will have to provide for another diagnostic review meeting when it is decided to move forward with the quiet zone process. This meeting along with review of proposed plans, notices, and coordination between the City and their consultant is what that agreement and fee to the UPRR will be used for.

Also, if any of the improvements that are being proposed will cause changes to the UPRR owned facilities including tracks, crossings or equipment, another agreement will need to be executed between the City and UPRR for the engineering and design of those facilities. We are not able to provide an estimated fee amount for this work since it will be largely dependent upon what facilities are added or changed and the number of crossings that are to be involved.

The UPRR has requirements that must be followed to install the SSM's or changes to their equipment. One of these is to provide for a minimum of 9' 3" from the center of the gate arm to the edge of the traveled roadway edge or 5' 3" to the face of the curb. This has impact to median installation as it dictates how much the road can be widened without relocating the gate arm and post. These required minimum dimensions have increased since the original study was completed in 2014. These increased dimensions have affected some of the alternatives and associated costs for some of the crossing the proposed quiet zone. The UPRR will also evaluate the condition of the existing road and sidewalk crossing panels adjacent the tracks. The UPRR required a minimum of 3' of clearance from the edge of traveled or walk way to the end of the crossing panel. As part of the new diagnostic review the existing crossing panels will be reviewed and determinations made if they will need to be extended which will be a cost required to be paid by the City. The UPRR also may require updates to any of the crossing panels or other equipment at a crossing that is considered to be substandard or worn out. UPRR will want to put the costs on the City's portion of the project costs, but we do not agree that these costs should be borne by the City alone and work to negotiate with the UP in these instances.

As discussed in the executive summary, the use of 4-quadrant gates as an SSM within a quiet zone requires additional costs that require an agreement be executed with the UPRR for the design and integration of a 4-quadrant gate into their system. The construction costs are estimated at \$1,000,000 and may or may not include the engineering costs, but this is not classified in UPRR data. There is also an annual maintenance agreement between the City and the UPRR for regular maintenance, repairs and integration verifications. This agreement will be based on the number of 4-quadrant gates included in the agreement and can be up to \$60,000 per year; however, the final amount would be negotiated between the parties.

For crossing closure, the UPRR will typically pay the City for the loss of the crossing. This amount is based on several factors and is part of the negotiation process when reviewing the crossings for the establishment of a quiet zone. The City must keep in mind that any crossing that is closed must have the right of way vacated and cannot be established as a crossing again in the future

4.0 Wayside Horn

The use of wayside horns at crossings as a way to mitigate the noise levels is being used in locations all over the United States, but not in great numbers. Wayside horns operate on the same principal as the train horns as far as when they must be sounded and how long they will sound. They also have a minimum decibel level of 92 decibels that is required, this is only a slight decrease from that of a train horn. The main difference with the wayside horn compared to the train horn is the amount of area affected by the noise. The sound from train horns must travel ahead of the train and away from the crossing and still be loud enough to warn drivers in vehicles that may have their windows up and radios on that are approaching the crossing. This then engulfs the surrounding area with sound as the train horn moves along the tracks and approaches the crossing. The wayside horn is directed up the streets directly at the road crossings and thereby does not radiate out as far away from the crossing. A schematic is shown in Figure 1 and comes from a brochure from Quiet Zone Technologies, a supplier/installer of wayside horn systems.

Figure 1 – Noise Level Schematic

The system itself consists of the wayside horn, post, confirmation device and circuitry integration equipment. The system is integrated with the railroad's signal equipment so that when the train triggers the signals at the crossing, it also signals for the wayside horn to begin its sequence. Along with that, the system will trigger the confirmation device. This device signals to the locomotive operator that the wayside horn is functioning and that they do not have to sound the train horn. If the operator does not see the confirmation device activated, then he will sound the train horns as required. Just as with a quiet zone, the installation of the wayside horn system does not mean that train horns will not be sounded in certain situations. There are typically two horns installed at each crossing, one facing each direction of the oncoming vehicle traffic. Similarly, there are two confirmation devices installed for each crossing for each direction a train may be traveling. For multiple track crossings the system is integrated so that each track interacts with the wayside horn system and the confirmation devices are visible by either train in both directions.

If the city would decide to proceed with a wayside horn system at a crossing, there are several things that must be accomplished. The City must purchase the equipment and pay for the installation from a third-party supplier and installer. The equipment associated with the wayside horn system is fairly standard and the costs are typically \$30,000 – \$40,000. However, the conditions for placement at each crossing can vary significantly, which may vary the costs from \$15,000 to \$40,000.

The City would have to enter into an agreement with the UPRR to pay the railroad for their costs associated with integrating the wayside horn equipment with their switch and signal equipment and for their continued maintenance costs for verifying that the system is operational. These costs for integration can also vary significantly from \$15,000 – \$25,000 depending on the equipment already in place and any additional equipment needed for integration. The work required to integrate the wayside horn system to the railroad system must be completed by railroad crews. Additionally, there is an annual maintenance cost from UPRR for their work in maintaining the integration of the system, this can be \$1,000 - \$2,000 per crossing.

Finally, there will be costs associated with the wayside horn system that will come from City staff. The City is the owner and maintainer of the wayside horn equipment and as such will need to complete monthly inspections and more in-depth inspections every 6 months. The monthly and bi-annual inspections usually amount to about 10-man hours per year. This should not be a significant cost or time commitment unless the City does not have staff that can complete the work and has to hire outside crews. Also, any damaged or failed equipment that would result from accidents, storms, vandalism, etc. would be the City’s expense to repair or replace, which should be included in the City’s annual budget. The supplier of the equipment would be able to provide costs for individual components and a replacement schedule.

The following table summarizes the approximate costs associated with the wayside horn system:

Initial Expenses		
Item	Description	Amount
1	Wayside Horn Equipment	\$40,000
2	Installation	\$40,000
3	Railroad Integration	\$25,000
4	Engineering	\$20,000
	TOTAL	\$125,000
Annual Expenses		
A	Railroad Maintenance	\$2,500
B	City Maintenance (10 hours)	\$1,500

The FRA has defined the wayside horn as a one-for-one substitute for train horns. A crossing that includes a wayside horn system can be included with a proposed quiet zone, but that crossing does not influence the scoring from the quiet zone calculator in determining if a quiet zone would qualify. Therefore, when determining the length of the quiet zone, they are considered the same as a crossing with an SSM but are not considered in the calculations for the Quiet Zone Risk Index or Risk Index With Horns. For example, if a proposed quiet zone included 7 crossings and one of them was a wayside horn system, the quiet zone eligibility would be scored on the 6 other crossings.

5.0 Recommended Improvements

5.1 Bella Vista Road (Attachment B)

The existing crossing on Bella Vista Road is a 24 feet wide concrete rural section road with aggregate shoulders and an at-grade crossing with 3-foot asphalt approaches both north and south of the crossing. The pavement condition of the concrete road and asphalt approaches are sufficient for the improvements recommended in this report. The current traffic demand for this crossing is generally traffic that is bypassing the interior of the City with some occasional use by agricultural equipment to get to the south side of the City. There are no sidewalks along this stretch of road.

The improvement considered for this crossing include the installation a non-mountable median, widening of the pavement, new aggregate shoulders and new signage, as shown on Attachment B. The median would be 2 feet wide and 100 feet in length on the south and north sides of the crossing. The pavement width will need to widen in areas where the median is installed. The gate arms are currently located 6.5' from the edge of the road. Installation of a full curb will allow minor widening of the road to maintain a 12' wide lane in each direction. This would provide adequate room for most standard traffic and types of vehicles currently using this crossing. To provide for wider lanes to accommodate bigger vehicles or agricultural traffic, it is possible that additional Right of Way would need to be purchased in the northwest quadrant to accommodate the lane widening and necessary grading. This may also include the extension of existing culverts and other supplementary work. A detailed topographic survey and verification of the existing road right of way would be necessary to determine the full extent.

5.2 N. Grant Road (Attachment C)

The railroad crossing on N. Grant Road is a 31-foot-wide concrete pavement with an at-grade crossing with 3-foot-wide asphalt approaches in both directions. The pavement is in good condition and should be sufficient for the improvements recommended in this report. Both sets of crossing panels are concrete and in fair to poor condition with a couple of smaller outer panels slightly sunken compared to others and one in the mainline that is damaged. N. Grant Road is a main north – south route on the east side of the City and does experience heavy traffic, including semi-truck and farm machinery. There is a recently constructed sidewalk along the east side of the crossing on the south side of the tracks with pedestrian warning panels and ADA compliant grades. The crossing has several industrial and large vehicle uses adjacent to it. The northwest quadrant is industrial use with semi traffic and vehicle parking directly adjacent to the crossing and railroad right of way. The northeast quadrant is the location of the County maintenance shop. The southwest has an aggregate access point for N. Elm Street and the southeast quadrant has a semi load scale.

The improvements considered for this crossing include leaving the crossing as an open crossing and the installation of a 4-quadrant gate system. If the crossing is left open, the City would have the option of installing a non-mountable median, new signage and closure of the N. Elm Street access, as shown on Attachment C as additional safety measures. The median would be 2 feet wide and 80 feet in length on the south side of the crossing while only 30 feet in length north of the crossing. The slightly shortened median to the south will allow access to the truck scale on the east side. The N. Elm Street access would be closed to improve safety and because the area has other access locations and minimal traffic. The shortened median length north of the crossing will provide access to both the industry on the west side and the maintenance shop on the east. No improvements to the sidewalks are necessary.

These improvements would be for increased safety at the crossing but would not improve the quiet zone rating because it does not meet the requirements of an approved supplementary safety measure (SSM) and would be considered “open” for the quiet zone calculations.

The second option as mentioned is for the installation of 2 additional crossing gates making the crossing a 4-quadrant gate system. Due to the higher traffic volumes at this crossing, the installation of a 4 quad system here has an impact to the quiet zone scoring and in turn provides for more flexibility in treatments at other crossings. There is the option to include some medians with the gates for increase safety measures, but these must be at least 60 feet in length to impact the quiet zone scoring. For the existing conditions on the north side of the crossing, this is not feasible, so no medians are included in this option. The 4-quadrant gate system is an expensive option but is feasible at this crossing.

5.3 N. Maple Street (Attachment D)

The railroad crossing on N. Maple Street is a 31-foot-wide concrete street on the north side and 24-foot-wide hot mix asphalt street on the south side with at-grade crossing with a 3-foot-wide asphalt approach on both sides of the crossing. This crossing mainly includes local traffic patterns and limited heavy vehicles. A semi-tractor/trailer storage yard is adjacent to the crossing in the northeast quadrant with gated driveway access to Maple Street; however, it is our understanding that this access point is not being used. There is also a private aggregate road access on the northwest side of the crossing that is utilized mainly by the business on the northeast quadrant of N. Clark Street. The southwest quadrant is seeing the construction of a new City maintenance shop with three overhead doors facing to Maple Street. The southeast quadrant is residential. The asphalt pavement south of the crossing is showing signs of its age but is in overall fair condition. The pavement north of the crossing was reconstructed shortly before the initial report and is in good condition. The north track crossing uses concrete panels that are in decent condition although there is a gap between the end west panel that could be worsening. The south track panels are timber panels that appear to be in fair condition. There is one sidewalk on the east side at this crossing. The north side was recently reconstructed and appears to meet ADA requirements, but the south side is partially asphalt and has a steep grade south from the tracks.

There are two options being considered for this crossing, complete closure and full length raised medians, as shown on Attachments D-1 and D-2. The first option is total closure of the crossing with installation of paved hammerhead style turnarounds on both sides of the crossing and removal of the pavement and sidewalk within the railroad right of way. The City would also be required to vacate the right of way across the crossing. On the north side, the aggregate road would still be accessible from the turnaround and the trailer yard driveway would remain. This option improves the overall rating of the quiet zone because closure has an effectiveness rating of 1.0 in the calculations and the UPRR is always wanting to close crossings and eliminate those hazards. The Federal Code of Regulations Part 222, Appendix F – Diagnostic Team Considerations indicates that crossing closure is a preferred alternative and should be explored for crossings within a proposed quiet zone.

For the second option, the improvement considered for this crossing include installing a non-mountable median, widening of the pavement on the south side, new signage and sidewalk improvements as shown on Attachment D-2. The median would be 2 feet wide and 100 feet in length both north and south of the crossing. The full median length will have minimal impact on traffic while providing a significant positive impact to the safety of the crossing. The pavement width will need to widen south of the crossing to allow adequate space for vehicular traffic. With the new maintenance building construction, it should be considered to widen the road to at least to the proposed driveway entrance but would not be necessary. The pavement width north of the crossing is sufficient; however, curb and gutter should be installed for a portion on either side of the road to limit access to the commercial driveway and aggregate access point near the crossing. The sidewalk in the southeast quadrant would be improved to provide ADA compliant access to pedestrians. The commercial driveway pavement would be removed, and that access closed. The aggregate access on the west side would either have to be closed or possibly realigned to north of the 100-foot median. The cost for this realignment is not included in the cost opinion provided because this is a private driveway and is not City owned. There are two existing storm sewer intakes just south of the crossing, these would need to be relocated to the proposed curb location and depending upon their current condition may need to be replaced completely.

5.4 N. Clark Street (Attachment E)

The railroad crossing on N. Clark Street is a 31-foot-wide hot mix asphalt street with an at-grade crossing with a 3-foot asphalt approach from the north and south. The pavement on both sides of this crossing appears to be in overall good condition. Both sets of crossing panels are concrete and appear to be in overall good condition. The proximity of the intersection with E. 4th Street will limit the ability to place a full-length median without impacting traffic. In addition, there is a driveway in each of the other quadrants that appear to have fairly high usage, one of which is a lumber yard to the west and the other two are parking areas for businesses. It is anticipated these businesses will produce local traffic with occasional deliveries using large vehicles. There is a sidewalk on both sides of the crossing that is in good condition with pedestrian warning panels. The approaches on the north for the sidewalk have asphalt overlays with the east one showing deterioration. The southeast one is concrete and should not need repairs while the southwest is asphalt and is in decent condition, but the sidewalk ends shortly past the approach. The improvements considered for this crossing include installing a non-mountable median; 100' medians to the north and south, 100' median south and 60' north and 60' medians north and south and then a 4-quadrant gate system.

To begin, a reduced median is only allowed when an intersection roadway falls within that length and the shortest allowed is 60' to still be considered an SSM. There is no intersection within the 100' on the south side of this crossing; therefore, the 60' median option to the north and south of the crossing is not a feasible option for this crossing and was not considered any further. To approach this option would have to be done as an ASM and would require additional engineering to determine a proposed effectiveness rate and submittal to the FRA for approval.

Installation of the 100' to the south and 60' to the north, non-mountable median with placement of full curb within the median areas, curbed medians in the parking area and new signage as shown on Attachment E is the preferred option for this crossing. The median would be 2 feet wide and 100 feet in length south of the crossing, while only 60 feet in length north of the crossing. The median length north of the crossing is shortened to the minimum to allow traffic flow on to E. 4th Street. E. 4th Street will need to be realigned to the north to allow for straight ahead and left turn traffic movements past the median. This will also include reconfiguration of the west end of the City parking lot. Full curb and gutter needs to be installed on the east side of the street, north and south of the crossing to restrict access to the business parking areas within the center median areas. On the south side a 2-foot wide and 100 foot long raised median along with curb along the outside of the street would be installed. For the lumber yard in the southwest quadrant, their access will need to be relocated to the south side of their property. This change does not involve construction on the street but would require the property owner to rearrange a portion of their yard and move trailers and storage racks. These could be moved to the current access point to the north to restrict access within the median and at the same time open an access point to the south of the median. This would need to be sized for large semi-truck turning movements while avoiding an adjacent utility pole. For the east side a curbed median would be constructed along the edge of the road for the length of the center median to restrict traffic movements from the parking area in the front of the business. This area should have sufficient width for most passenger type cars and trucks to navigate and 90-degree park in front of the building. Semi traffic should still be able to access the building dock area by backing in from the south bound Main Street traffic lane or across Main Street from the relocated lumber yard access.

The installation of 100' long medians to both the north and south sides of the crossing was also reviewed. The impacts would be the same as described above for the properties and pavement on the south side of the crossing. If the median was extended to 100 feet on the north side of the crossing, then several more impacts to the adjacent properties would be seen. E. 4th Street from the west would become a right in/right out only street connection. This means that south bound traffic on Clark St. can turn right to go west on 4th St. and West bound traffic on 4th St. can turn right to go south on Clark St. All other turning movements at that intersection would be prohibited. The municipal parking lot to the north of 4th St. would continue to allow the same movements as it currently does. This could potentially lead to the parking lot access being used by traffic as a road more than 4th St. itself. In the northeast corner, the raised parking median would have to be extended the additional length to match the center raised median. The entrance area is reduced across this property from basically full width of the lot to just the north 25' give or take. The perpendicular stalls along the front of the building being used as is would allow about a 15' wide aisle between the parking median and the back end of the stalls. This would allow vehicles to navigate to and from the entrance but there would not be room for incoming and outgoing vehicles to meet. This configuration would make it difficult for trucks with trailers or larger trucks to navigate into and out of the parking lot, especially if there were cars in parking spaces at the front of the building.

While this is a feasible option, with the additional impacts to the property in the northeast quadrant and potential changing of traffic patterns in the northwest, this is not as desirable an option as the previous.

5.5 N. Main Street (Attachment F)

The railroad crossing on the south side N. Main Street is a 48-foot-wide hot mix asphalt street with the at grade crossing with a 10-foot asphalt approach. The north side is a 38-foot-wide hot mix asphalt street with a 6-foot asphalt approach. The pavement on both sides of this crossing appears to be in overall fair condition. On the north side of the crossing there are City owned parking lots/streets with access points onto Main Street. These access points are in close proximity to the crossing and would limit the ability to place a full-length median without significantly affecting traffic patterns. The south side of the crossing has a restaurant with angled parking along the front of the building and limited access and parking off street. On the southeast side is a building and parking area that has loading docks and regularly has semi deliveries/trailer storage. The existing sidewalk at on the south side is in fair condition but does not have pedestrian warning panels or meet ADA requirements. The north side was recently improved with PCC and has the truncated dome panels in place.

The improvements considered for this crossing include: leaving the crossing open, installing a non-mountable median, 100' medians to the north and south and 100' median south and 60' north; and a 4-quadrant gate system. The open and 100'/60' median option is as shown on Attachments F-1 and F-2.

If the crossing is left open, the City would have the option of installing a non-mountable median, as shown on Attachment F-1 as additional safety measures. For the first option, the improvements considered for this crossing include installing a non-mountable median, new signage and sidewalk improvements. The median would be 2 feet wide and 40 feet in length on both sides of the crossing. The shortened median to the south will allow access to the parking along the front of the restaurant on the west side and complete access to vehicles entering and exiting the building on the east side. Full height curb would be installed on both sides of the street to restrict access within the median areas. The shortened median on the north side will allow the access points from the City parking lots on both sides to continue to operate as they currently are. The south side approaches of the sidewalks to the railroad crossing will need to be improved for ADA compliance. These improvements would be for increased safety at the crossing but would not improve the quiet zone rating because it does not meet the requirements of an approved supplementary safety measure (SSM) and would be considered "open" for the quiet zone calculations.

As was the case with the Clark St. crossing and the 60'/60' option, a reduced median is only allowed when an intersection roadway falls within that length, minimum of 60' to still be considered an SSM. There is no intersection within the 100' on the south side of this crossing; therefore, the 60' median option to the north and south of the crossing is not a feasible option for this crossing and was not considered any further. To approach this option would have to be done as an ASM and would require additional engineering to determine a proposed effectiveness rate and submittal to the FRA for approval.

The second of the median options includes installing a non-mountable median, placement of curb within the median area, realignment of the parking lot accesses, new signage and sidewalk improvements as shown on Attachment F-2. The median would be 2 feet wide and 100 feet in length on the south side of the crossing. In conjunction with the full median length, there will be full curb installed along the edges of the road to eliminate access points within the median area. This will have a significant impact on parking in front of the restaurant by eliminating at least five of the angled stalls. The 100-foot median will also severely impact the business on the east side of the street by installing a curbed median along the edge of the road to the end of the center median and eliminating access points within the median area. This curbed median will drastically reduce the width of the opening into the building loading dock area, restrict the size of vehicle that could do a right turn out of the driveway and eliminate three angled parking stalls along the front of the building. On the north side of the crossing, the median would be 2 feet wide and 60 feet in length. This length of median would require the realignment to the north of the parking access road and street on both sides of Main Street, which would include additional curb and gutter installation to channel traffic past the end of the center median, relocation of an intake and additional pedestrian ramp work. The sidewalk on the south side of the crossing would need to be improved to provide ADA compliant access for pedestrians. This is a feasible option but does have some significant impacts to the adjacent property owners on the south side and traffic movements on the north.

The third option as mentioned is for the installation of 2 additional crossing gates making the crossing a 4-quadrant gate system. Due to the higher traffic volumes at this crossing, the installation of a 4 quad system here has an impact to the quiet zone scoring and in turn provides for more flexibility in treatments at other crossings. There is the option to include some medians with the gates for increase safety measures, but these must be at least 60 feet in length to impact the quiet zone scoring. For the existing conditions on both sides of the crossing, this is not feasible, so no medians are included in this option. The 4-quadrant gate system is an expensive option but is feasible at this crossing.

5.6 N. Carroll Street (Attachment G)

The railroad crossing on N. Carroll Street is a 31-foot-wide concrete street to the north and 36-foot-wide concrete street to the south with an at-grade crossing with a 3-foot asphalt approach from the north and south. The pavement on both sides of this crossing appears to be in overall good condition. The proximity of the intersection with 4th Street on the north will limit the ability to place a full-length median without impacting traffic. Both sets of crossing panels are concrete, there are a couple within the crossing that are loose and rocking when vehicles pass over them and showing signs of deterioration. In addition, on the south side there are access locations to Union Pacific property on both sides. There is a sidewalk on the east side of the crossing that was previously improved but may need to be verified for ADA compliance. Since the original report, the City has constructed a new 10' wide trail from within the Depot Park, across the UPRR and south down Carroll St. on the west side of the road. This is in good condition and appears to be ADA compliant.

The improvement considered for this crossing includes installing a non-mountable median, placement of full curb within the median areas, curbed medians and new signage as shown on Attachment G. The median would be 2 feet wide and 100 feet in length south of the crossing, while only 60 feet in length north of the crossing. The median length north of the crossing is shortened to the minimum to allow traffic flow on to 4th Street. However, the size of vehicle able to make a left hand turn off of west bound 4th Street to southbound Carroll St. will be limited due to the proximity of the median to the intersection and would be signed as such. On the south side a 2-foot wide and 100-foot-long raised median would be constructed. Full height curb would be installed on both sides of the street for the length of the center median. This curb will restrict access to the railroad property on both sides of the crossing. A commercial driveway on the west side of the street appears to be for the Union Pacific access to their rail yard property. This may have to be closed due to the median, but this along with other UPRR access issues would be discussed at the diagnostic meeting. Also, the sidewalk crosses from the west side to the east side within the raised median, this will require a drop within the raised median and pedestrian warning panels to allow pedestrian traffic to cross the road.

5.7 Burgess Ave (Attachment H)

The railroad crossing on Burgess Ave is a 24-foot-wide concrete street with aggregate shoulders and an at-grade crossing with a 3-foot asphalt approach from the north and south. The pavement on both sides of this crossing appears to be in overall good condition. The proximity of the intersections with W. 6th Street on the north and Railroad Street on the south will limit the ability to place a full-length median without impacting traffic. This area sees some use by agricultural equipment during planting and harvest and to a repair business in the northeast quadrant. There are businesses in the northeast and southeast quadrants as well as access to the industrial park to the west that have a large percentage of truck traffic utilizing the crossing. There are three tracks at this crossing, two mainline tracks and one siding track. The mainline tracks are concrete panels and generally in good condition while the siding track is a timber panel in fair condition. The existing gate arms are about 8.5' off the edge of the roadway.

The improvements considered for this crossing include four options: leaving the crossing as an open crossing; installation of 60' medians on each side of the crossing; the installation of a 4-quadrant gate system; and the installation of a wayside horn system.

If the crossing is left open, the City would have the option of installing a non-mountable median, as shown on Attachment H-1 as additional safety measures. The improvements considered for this crossing include installing a non-mountable median, pavement widening and new signage. The median would be 2 feet wide and 40 feet in length on both sides of the crossing. These improvements would be for increased safety at the crossing and are considered an optional item but would not improve the quiet zone rating because it does not meet the requirements of an approved supplementary safety measure (SSM) and would be considered "open" for the quiet zone calculations. The shortened median to the south will allow the unrestricted access to Railroad Street of the large truck traffic in the area. Full height curb would be installed on both sides of the street to maximize the widening of the traffic lanes within the median areas. The short median on the north side will allow access to and from W. 6th Street. A left-hand turn from W. 6th Street may be restrictive for the largest semi/trailer combinations, in which they may need to use Highway 30 and access the industrial park and businesses on the south side of the tracks from the west. The widening of the road to maintain wider lanes through the median areas would require the relocation of both of the crossing gate arms, which is an additional expense for an optional safety measure.

The second option includes installing the minimum length non-mountable median, placement of curb within the median area, realignment of W. 6th Street and Railroad Street and new signage as shown on Attachment H-2. The median would be 2 feet wide and 60 feet in length on the south and north sides of the crossing. In conjunction with the median, there will be full curb installed along the edges of the road to maximize the pavement traffic lanes within the median area. However, this length of median would require the realignment of both W. 6th Street and Railroad Street. This realignment would require the purchase of additional right of way area from the adjacent property owners, construction of the new road base and obliteration of the existing roadbed. On the northwest side, an additional 12-foot-wide lane would have to be constructed on Burgess Avenue to allow for west bound traffic off of W. 6th Street to turn onto Burgess Ave. The widening of the road to maintain wider lanes through the median areas would require the relocation of both of the crossing gate arms, which is an additional expense along with the expense for the right of way and grading. This option has a significant impact to the adjacent properties on the east side of Burgess for the road relocations. In the northeast quadrant, this widening appears to encroach on an existing driveway within the property.

The third option as mentioned is for the installation of 2 additional crossing gates making the crossing a 4-quadrant gate system. There is the option to include some medians with the gates for increase safety measures, but these must be at least 60 feet in length to impact the quiet zone scoring. For the existing conditions on both sides of the crossing, the additional median is not feasible, so no medians are included in this option. The 4-quadrant gate system is an expensive option but is feasible at this crossing and reduces the impacts to the adjacent properties. The fourth option is the installation of the Wayside Horn System. As described in section 4.0, this system acts the same as a train horn, except that the horns are directed up and down the roadway, rather than along the tracks. This system does not require the installation of any medians or pavement widening and therefore has little impact on the adjacent properties. There would be no changes to the location of the existing gate as well. This option would include regular inspections completed by the City staff or hired by the City and the City would be responsible for all equipment costs for replacement, damage, malfunction, etc. This area is generally an industrial/commercial area with large spread-out properties towards the western edge of the community, this lends wayside horns to be a very feasible option for this crossing.

6.0 Summary

The goal of the first quiet zone study was to provide the most cost-effective options for the creation of a quiet zone through the seven crossings within the City of Carroll. We did not consider other high costs options like 4 quadrant gates because overall costs were being kept to a minimum and based on our previous experience, medians were the best option for doing that.

For this report that goal has been modified. The goal for this report is to provide the City of Carroll with more potential treatments and more possible scenarios so that the City can determine what combination of treatments will best serve the community and the adjacent properties. While budget and costs are still an important factor, it is taken into account along with the other factors rather than being the primary factor.

Utilizing the Federal Railroad Administrations Quiet Zone Calculator, a comparison was completed between the existing crossing conditions and the same crossings with various scenarios of the proposed improvements listed above. A matrix of the various scenarios are included in Attachment I and includes an estimate of the anticipated construction costs and if an annual maintenance agreement with the UPRR is required. There are some scenarios shown that do not meet the requirements to establish a quiet zone, some scenarios automatically qualify for a quiet zone because there is an SSM at every crossing, some qualify but can be subject to review and others qualify without potential review by FRA.

The estimated Preliminary Opinion of Project Construction Costs for each of the recommended improvements at each crossing is shown in Attachment J. Improvement costs vary from minor costs for pedestrian crossing improvements on an open crossing, to approximately \$72,000 for minimal safety improvements at Grant Road, leaving the crossing “open,” to approximately \$242,00 for the land acquisition, road realignment and improvements at Burgess Avenue, to over \$1,000,000 for installation of a 4-quadrant gate at any of the proposed crossings. Engineering fees for the crossing treatments are not included in the estimated construction costs, neither are any fees to the UPRR for the quiet zone process agreement or for the agreement for railroad equipment design. The impacts of the pandemic and the material cost increases along with supply chain issues have yet to be fully understood. Steel for instance, has seen significant rises in material costs and electronics have had severe supply chain issues. These factors may have significant impacts to overall costs for any of the proposed improvements and since they are still very fluid we cannot quantify what those impacts may be.

We have not provided for recommended improvements at any of the seven crossings. The City will have to determine the most appropriate option for these crossings based on the information provided, cost estimates and input from adjacent property owners, the public, law enforcement and other stakeholders.

7.0 FRA Quiet Zone

Completion of the improvements detailed in this report will allow the City of Carroll to qualify for designation of this corridor through the city as a quiet zone. The limits of the quiet zone would encompass the entire city. All treatments proposed are approved SSM's and this removes the requirement for annual review of the quiet zone for any ASM's. Qualified scenarios that have the Quiet Zone Risk Index (QZRI) below the Risk Index with Horns (RIWH) but above the Nationwide Significant Risk Threshold (NSRT) can be subject to review. If at a future time, changes in the elements of a crossing or crossings causes the RIWH fall below the QZRI, then additional measures would have to be implemented to bring the QZRI back below the RIWH. When qualified scenarios have the QZRI below the RIWH and the NSRT it is a more conservative method and therefore less likely to require additional treatments in the future if elements at crossing change. Both scenarios discussed above require affirmation and inventory form every 2.5 – 3 years.

Several notifications are required as outlined in the rules upon completion of the improvements to notify the Union Pacific, Highway authority (DOT) and the public of the intended action. These requirements may commence while the improvements are being constructed but cannot be completed until the improvements are in place.

Name: UPRR Quiet Zone Update

Date: August 9, 2021

Page: 17

As part of the process, the traffic counts for each crossing will need to be within 6 months of the estimated start date of the proposed quiet zone. This means that it is likely the City may have to complete a traffic count study for the seven crossings. Also, the quiet zone calculator evaluation will need to be updated for the scenario that is chosen to verify that it still meets the establishment requirements.

We appreciate the opportunity to assist the City with your engineering needs regarding the quiet zone establishment process. As the City progresses through the process of reviewing scenarios and determining the best fit, please do not hesitate to contact me with any questions. We would be happy to provide quiet zone calculations and overall costs if a scenario is desired other than the ones presented. Once a scenario is determined that the City wishes to pursue for a quiet zone, please contact us and we can prepare an agreement and scope of work to progress that scenario through construction and a quiet zone.

Sincerely,

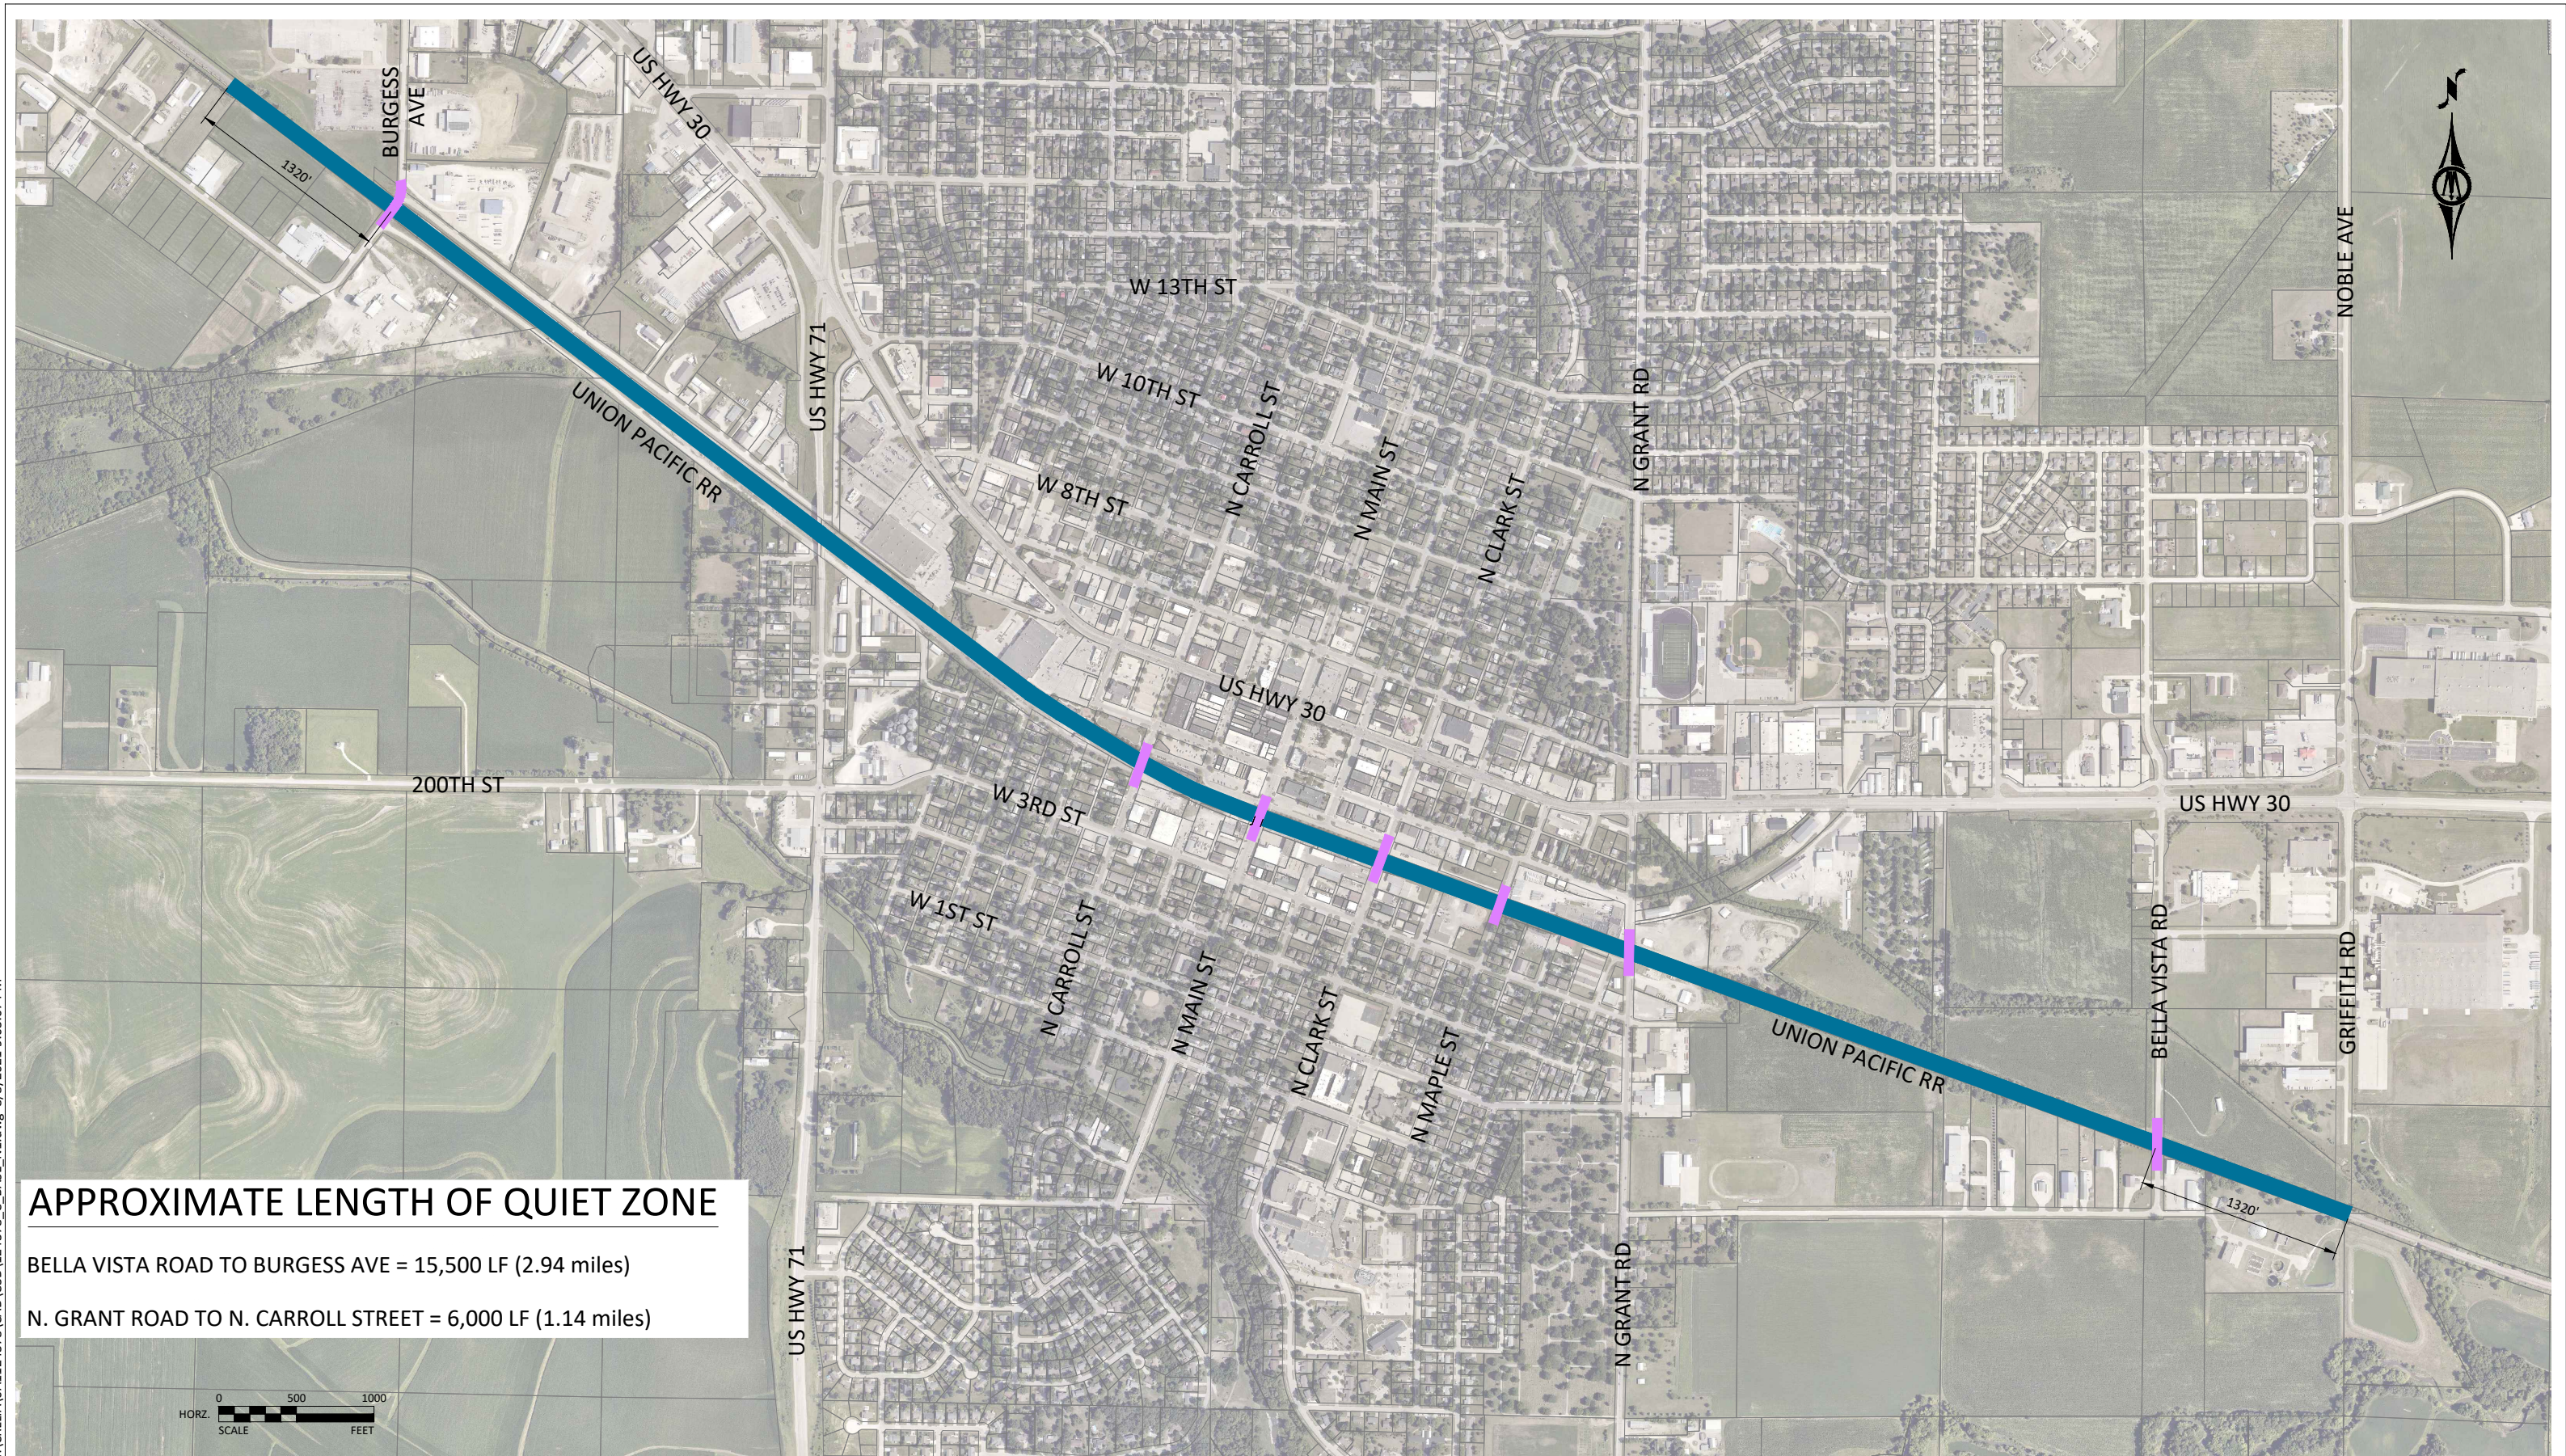

Bolton & Menk, Inc.

James D. Leiding
Project Manager

Purpose of the Guide

This brochure was developed to serve as a guide for local decision makers seeking a greater understanding of train horn sounding requirements and how to establish quiet zones. Its purpose is to provide a general overview and thus does not contain every detail about the quiet zone establishment process. For more detailed and authoritative information, the reader is encouraged to review the official regulations governing the use of locomotive horns at public highway-rail grade crossings and the establishment of quiet zones that are contained in 49 CFR Part 222. A copy of the rule can be downloaded or printed at <http://www.fra.dot.gov/eLib/Details/L02809>.

About Quiet Zones

FRA is committed to reducing the number of collisions at highway-rail grade crossings, while establishing a consistent standard for communities who opt to preserve or enhance quality of life for their residents by establishing quiet zones within which routine use of train horns at crossings is prohibited.

Federal regulation requires that locomotive horns begin sounding 15–20 seconds before entering public highway-rail grade crossings, no more than one-quarter mile in advance. Only a public authority, the governmental entity responsible for traffic control or law enforcement at the crossings, is permitted to create quiet zones.

A quiet zone is a section of a rail line at least one-half mile in length that contains one or more consecutive public highway-rail grade crossings at which locomotive horns are not routinely sounded when trains are approaching the crossings. The prohibited use of train horns at quiet zones only applies to trains when approaching and entering crossings and does not include train horn use within passenger stations or rail yards. Train horns may be sounded in emergency situations or to comply with other railroad or FRA rules even within a quiet zone. Quiet zone regulations also do not eliminate the use of locomotive bells at crossings. Therefore, a more appropriate description of a designated quiet zone would be a “reduced train horn area.”

Communities wishing to establish quiet zones must work through the appropriate public authority that is responsible for traffic control or law enforcement at the crossings.

Historical Context

Historically, railroads have sounded locomotive horns or whistles in advance of grade crossings and under other circumstances as a universal safety precaution. Some States allowed local communities to create whistle bans where the train horn was not routinely sounded. In other States, communities created whistle bans through informal agreements with railroads.

In the late 1980's, FRA observed a significant increase in nighttime train-vehicle collisions at certain gated highway-rail grade crossings on the Florida East Coast Railway (FEC) at which nighttime whistle bans had been established in accordance with State statute. In 1991, FRA issued Emergency Order #15 requiring trains on the FEC to sound their horns again. The number and rate of collisions at affected crossings returned to pre-whistle ban levels.

In 1994, Congress enacted a law that required FRA to issue a Federal regulation requiring the sounding of locomotive horns at public highway-rail grade crossings. It also gave FRA the ability to provide for exceptions to that requirement by allowing communities under some circumstances to establish "quiet zones."

The Train Horn Rule became effective on June 24, 2005. The rule set nationwide standards for the sounding of train horns at public highway-rail grade crossings. This rule changed the criteria for sounding the horn from distance-based to time-based. It also set limits on the volume of a train horn. The rule also established a process for communities to obtain relief from the routine sounding of train horns by providing criteria for the establishment of quiet zones. Locomotive horns may still be used in the case of an emergency and to comply with Federal regulations or certain railroad rules.

Because the absence of routine horn sounding increases the risk of a crossing collision, a public authority that desires to establish a quiet zone usually will be required to mitigate this additional risk. At a minimum, each public highway–rail crossing within a quiet zone must be equipped with active warning devices: flashing lights, gates, constant warning time devices (except in rare circumstances) and power out indicators.

In order to create a quiet zone, one of the following conditions must be met

1. ***The Quiet Zone Risk Index (QZRI) is less than or equal to the Nationwide Significant Risk Threshold (NSRT)*** with or without additional safety measures such as Supplementary Safety Measures (SSMs) or Alternative Safety Measures (ASMs) described below. The QZRI is the average risk for all public highway-rail crossings in the quiet zone, including the additional risk for absence of train horns and any reduction in risk due to the risk mitigation measures. The NSRT is the level of risk calculated annually by averaging the risk at all of the Nation’s public highway-rail grade crossings equipped with flashing lights and gates where train horns are routinely sounded.
2. ***The Quiet Zone Risk Index (QZRI) is less than or equal to the Risk Index With Horns (RIWH)*** with additional safety measures such as SSMs or ASMs. The RIWH is the average risk for all public highway-rail crossings in the proposed quiet zone when locomotive horns are routinely sounded.
3. ***Install SSMs at every public highway-rail crossing.*** This is the best method to reduce to reduce risks in a proposed quiet zone and to enhance safety.

SSMs are pre-approved risk reduction engineering treatments installed at certain public highway-rail crossings within the quiet zone and can help maximize safety benefits and minimize risk. SSMs include: medians or channelization devices, one-way streets with gates, four quadrant gate systems, and temporary or permanent crossing closures. Examples of SSMs are shown on the next page.

ASMs are safety systems, other than SSMs, that are used to reduce risk in a quiet zone. ASMs typically are improvements that do not fully meet the requirements to be SSMs and their risk reduction effectiveness must be submitted in writing and approved by FRA.

FRA strongly recommends that all crossings in the quiet zone be reviewed by a diagnostic team. A diagnostic team typically consists of representatives from the public authority, railroad, and State agency responsible for crossing safety and FRA grade crossing managers.

Public Safety Considerations continued

Examples of SSMs

Wayside Horns The train horn rule also provides another method for reducing the impact of routine locomotive horn sounding when trains approach public highway-rail grade crossings. A wayside horn may be installed at highway-rail grade crossings that have flashing lights, gates, constant warning time devices (except in rare circumstances), and power out indicators. The wayside horn is positioned at the crossing and will sound when the warning devices are activated. The sound is directed down the roadway, which greatly reduces the noise footprint of the audible warning. Use of wayside horns is not the same as establishing a quiet zone although they may be used within quiet zones.

Cost Considerations

The enabling Federal statute did not provide funding for the establishment of quiet zones. Public authorities seeking to establish quiet zones should be prepared to finance the installation of SSMs and ASMs used. Costs can vary from \$30,000 per crossing to more than \$1 million depending on the number of crossings and the types of safety improvements required.

Legal Considerations

The courts will ultimately determine who will be held liable if a collision occurs at a grade crossing located within a quiet zone, based upon the facts of each case, as a collision may have been caused by factors other than the absence of an audible warning. FRA’s rule is intended to remove failure to sound the horn as a cause of action in lawsuits involving collisions that have occurred at grade crossings within duly established quiet zones.

The Quiet Zone Establishment Process

Under the Train Horn Rule, only public authorities are permitted to establish quiet zones. Citizens who wish to have a quiet zone in their neighborhood should contact their local government to pursue the establishment of a quiet zone. The following is a typical example of the steps taken to establish a quiet zone:

1. **Determine** which crossings will be included in the quiet zone. All public highway-rail crossings in the quiet zone must have, at a minimum, an automatic warning system consisting of flashing lights and gates. The warning systems must be equipped with constant warning time devices (except in rare circumstances) and power out indicators. The length of the quiet zone must be at least one-half mile in length.
2. **Identify** any private highway-rail grade crossings within the proposed quiet zone. If they allow access to the public or provide access to active industrial or commercial sites, a diagnostic review must be conducted and the crossing(s) treated in accordance with the recommendations of the diagnostic team.
3. **Identify** any pedestrian crossings within the proposed quiet zone and conduct a diagnostic review of those crossings too. They also must be treated in accordance with the diagnostic team's recommendations. *NOTE:* While it is not required by the regulations, FRA recommends that every crossing within a proposed quiet zone be reviewed for safety concerns.
4. **Update** the U.S. DOT Crossing Inventory Form to reflect current physical and operating conditions at each public, private, and pedestrian crossing located within a proposed quiet zone.
5. **Provide** a Notice of Intent (NOI) to all of the railroads that operate over crossings in the proposed quiet zone, the State agency responsible for highway safety and the State agency responsible for crossing safety. The NOI must list all of the crossings in the proposed quiet zone and give a brief explanation of the tentative plans for implementing improvements within the quiet zone. Additional required elements of the NOI can be found in 49 CFR 222.43(b). The railroads and State agencies have 60 days in which to provide comments to the public authority on the proposed plan.
6. **Alternative Safety Measures** – If ASMs are going to be used to reduce risk, an application to FRA must be made. The application must include all of the elements provided in 49 CFR 222.39(b)(1) and copies of the application must be sent to the entities listed in 49 CFR 222.39(b)(3). They will have 60 days to provide comments to FRA on the application. FRA will provide a written decision on the application typically within three to four months after it is received.

The Quiet Zone Establishment Process continued

7. **Determine** how the quiet zone will be established using one of the following criteria: (Note that Options 2 through 4 will require the use of the FRA Quiet Zone Calculator available at <http://safetydata.fra.dot.gov/quiet/>.)

1. Every public highway-rail crossing in the proposed quiet zone is equipped with one or more SSMs.
2. The Quiet Zone Risk Index (QZRI) of the proposed quiet zone is less than or equal to the Nationwide Significant Risk Threshold (NSRT) without installing SSMs or ASMs.
3. The QZRI of the proposed quiet zone is less than or equal to the Nationwide Significant Risk Threshold (NSRT) after the installation of SSMs or ASMs.
4. The QZRI of the proposed quiet zone is less than or equal to the Risk Index with Horns (RIWH) after the installation of SSMs or ASMs.

8. **Complete** the installation of SSMs and ASMs and any other required improvements determined by the diagnostic team at all public, private, and pedestrian crossings within the proposed quiet zone.

9. **Ensure** that the required signage at each public, private, and pedestrian crossing is installed in accordance with 49 CFR Sections 222.25, 222.27, and 222.35, and the standards outlined in the Manual on Uniform Traffic Control Devices. These signs may need to be covered until the quiet zone is in effect.

10. **Establish** the quiet zone by providing a Notice of Quiet Zone Establishment to all of the parties that are listed in 49 CFR Section 222.43(a)(3). Be sure to include all of the required contents in the notice as listed in 49 CFR Section 222.43(d). The quiet zone can take effect no earlier than 21 days after the date on which the Notice of Quiet Zone Establishment is mailed.

*****Appendix C to the Train Horn Rule provides detailed, step by step guidance on how to create a quiet zone.*****

Required Documentation

Public authorities interested in establishing a quiet zone are required to submit certain documentation during the establishment process. FRA has provided checklists for the various documents that can be found at <http://www.fra.dot.gov/Elib/Details/L03055>.

FRA's Regional Grade Crossing Managers are available to provide technical assistance. A State's department of transportation or rail regulatory agency also may be able to provide assistance to communities pursuing quiet zones.

Public authorities are encouraged to consult with the agencies in their State that have responsibility for crossing safety. Some States may have additional administrative or legal requirements that must be met in order to modify a public highway-rail grade crossing.

Role of Railroads

Communities seeking to establish a quiet zone are required to send a Notice of Intent and a Notice of Quiet Zone Establishment to railroads operating over the public highway-rail grade crossings within the proposed quiet zone. Railroad officials can provide valuable input during the quiet zone establishment process and should be included on all diagnostic teams. Listed below are links to the Class I Railroads and Amtrak.

BNSF Railway (BNSF)	Canadian Pacific (CP)
CSX Transportation (CSX)	Norfolk Southern (NS)
Canadian National (CN)	Union Pacific (UP)
Kansas City Southern (KCS)	Amtrak (ATK)

FINAL NOTE

The information contained in this brochure is provided as general guidance related to the Quiet Zone Establishment Process and should not be considered as a definitive resource. FRA strongly recommends that any public authority desiring to establish quiet zones take the opportunity to review all aspects of safety along its rail corridor. Particular attention should be given to measures that prevent trespassing on railroad tracks since investments made to establish a quiet zone may be negated if the horn has to be routinely sounded to warn trespassers.

Retail Coach Summary Update
 Prepared for the Carroll City Council
 October 13, 2021

Project Summary

The last update for the Council was September 13, 2021 in written format. The goal continues to be to educate existing business owners on the Primary Retail Trade Area and the population of 33,000 people who consistently shop in Carroll. There has also been strong movement with business recruitment. Generating early excitement for the Carroll market post-COVID.

The CADC has improved the marketing and communications strategy to shed light on the positivity that comes from working with Retail Coach. Our marketing and communications has begun to bring a consistent brand for this project, educate the constituents of Carroll, and excite existing and new businesses.

Existing Business Effort

The CADC has requested store specific data for a total of 32 different retailers and restaurants around Carroll. This “geo-fenced” data tracks customers that come in and out of that specific location by tracking the GPS on the cell phone. Specifically this data helps the retailer see the town in which their customers live, the average time of day they visit, the day of the week with the most visits, how long the visit lasts, where the customers are prior/post the visit, their largest competitors, and more. This data given to our retailers is the same data that Retail Coach provides for companies like Target, showing just how valuable it is.

Of the 32 data sets requested, the CADC has received 23 and will continue to receive the rest over the coming weeks. Once the data is received, we visit with that retailer/restaurant to go over the data and deliver them a copy for their use.

<u>Requested</u>					<u>Received</u>					<u>Delivered</u>				
April	May	June	July	Aug	April	May	June	July	Aug	April	May	June	July	Aug
29	32	32	32	32	7	16	19	20	23	7	11	19	20	23
Sept.	Oct.				Sept.	Oct.				Sept.	Oct.			
32	32				23	23				23	23			

Business Recruitment Effort

Retail Coach has made contact with now 44 potential new businesses about the Carroll market and the possibilities of having a Carroll location. Shortly after Retail Coach made their first contact, they have already seen a lot of movement and interest in Carroll from these retailers. Retail Coach monitors the interest of the retailers by using a dashboard that categorizes the business based on their feedback. The categories on the dashboard are as followed:

- **Reviewing Market Info:** This means Retail Coach has sent them initial information on the Carroll market. Any business that is in this category has not given a response.

- Review Sites: This category means that the retailer is reviewing potential sites to see if the Carroll market would meet their needs.
- Not Interested: This means that the retailer does not believe the Carroll market is currently a good fit for their company. Just because the retailer may not be interested, does not mean they never will be in the future.
- Not Right Now: This category means that the retailer is interested in Carroll, but this is just not the right time for an expansion into the Carroll market.
- Interested: This category means a retailer is interested in coming to the Carroll market.
- Need Franchisee: This means the retailer is interested in the Carroll and needs to find a franchisee to make it a possible option.
- Looking for a Site: This category means the retailer is interested in the Carroll market and is looking for a site that will suit their needs.
- Site Visit: This means the retailer is now visiting Carroll to physically look at site options.
- LOI/Opening/Opened: This category means the retailer is opening a new location in Carroll or has opened a new location.

Based on the CADC update meetings with Mr. Farmer, the Carroll market has seen faster movement and interest than many other communities they have worked with of a similar size. Conversations with retailers are going smoothly this early in the process. Retail Coach is going to start looking at other options for the JCPenny’s space to make sure we are seeking all viable options for that space—consistent with the synergy and overall well-being of downtown Carroll.

Business Recruitment Dashboard Update	<i>Category</i>	<i>April</i>	<i>May</i>	<i>June</i>	<i>July</i>	<i>Aug</i>	<i>Sept</i>	<i>Oct</i>
	Review Market Info	18	20	17	15	13	13	17

	Site Visit	0	0	0	0	0	0	0
	LOI/Opening/Opened	0	0	0	0	0	0	0

Marketing and Communications Plan

Due to any negativity and/or false assumption as to why Retail Coach is being used, the CADC has put together a plan to better communicate and market to Carroll County the purpose of Retail Coach. The CADC is taking an intentional and proactive approach to promote Retail Coach and the work they are doing.

Marketing Goals: Promote Retail Coach and the work it does to help existing businesses and bring new business throughout Carroll County.

- Ensure a consistent brand image for CADC and the work it does with Retail Coach.
- Develop a schedule and implementation of ongoing communications.
- Evaluation of communications and promotion for CADC and Retail Coach.
- Promote workshops and business data.
- Presentation to local communities on Retail Coach Data.

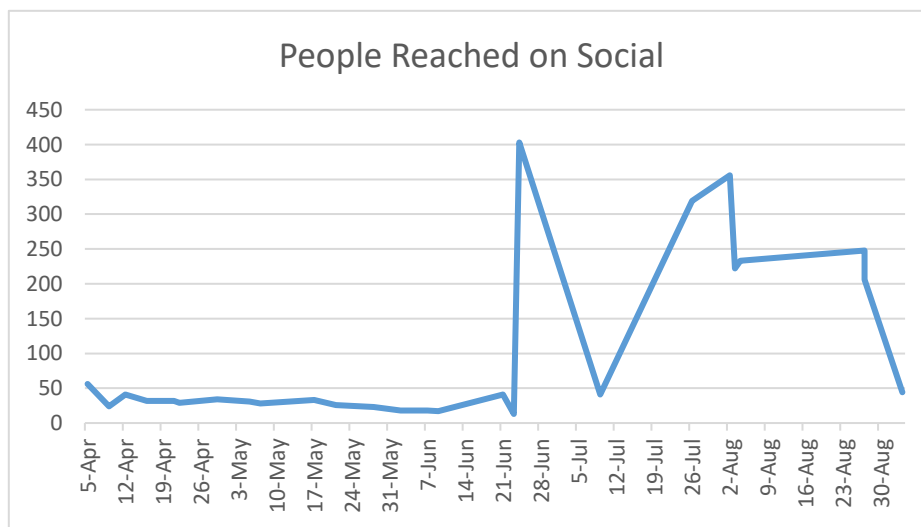

To start, the CADC will use the following sources to communicate and market Retail Coach activity.

- Social Media
- Press Releases
- Area Development Meetings
- City Council Updates

Correctly using these sources will drive positive communication throughout the community and bring even more excitement to the work Retail Coach is doing.

Our social media plan is really starting to take off. We are reaching more people and have more activity overall. Below are month by month of the number of people reach.

- April Total Reached: 248
- May Total Reached: 141
- June Total Reached: 510
- July Total Reached: 360
- August Total Reached: 1,190
- September Total Reached: 267

Final Summary

In total, between the data given to existing businesses and the movement of recruitment for new businesses, the Carroll community has a lot to be excited about. We have hard data to show that Carroll has recovered well from COVID and this is a strong market for economic growth. The proper steps will continue to be taken to maximize growth opportunities, both for existing and new businesses. The CADC will continue to market and communicate the success we are having early on and hope others do the same. The most success will come from the community working as a team to optimize the most success.
